Earthly Edibles Farm

Korbel, California

*Located in the traditional territory of
the Wiyot people*

Ed Cohen at Earthly Edibles Farm.

Faces Behind The Farm:

Ed Cohen, his partner Alissa, and his daughters Lila Rose and Iris Pearl.

Farm Facts:

Ed Cohen farms approximately 28 acres along the Mad River in Korbel, just outside of Blue Lake. Korbel's climate make it a special place to grow food. During the summer it is warm enough for sweet corn but not too hot for crops like lettuce and broccoli!
