Green Spiral Farm

Arcata, California

*Located in the traditional territory and
current home land of the Wiyot Tribe*

**Graham and Chelsey at Green Spiral
Farm in the Arcata Bottoms.**

Faces Behind The Farm:

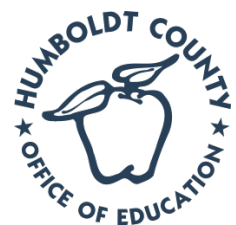

Graham and Chelsey Gagne.

Farm Facts:

Graham and Chelsey grow a wide variety of organic vegetables on 17 acres in the Arcata Bottoms, near Mad River Beach. They love providing healthy food to the community, and are one of the few local farms that grow large amounts of fennel. In addition to vegetables, Graham and Chelsey have a lot of fun running a pumpkin patch and a haunted corn maze in October!
