New Moon Organics

Shively, California

Located in the traditional territory of the Sinkiyone people

Jill Vanderlinden at the farm.

Faces Behind The Farm:

Jill Vanderlinden, John Francisco, and family.

Farm Facts:

Jill, John, and their family grow organic tomatoes, beans, lemon cucumbers, melons, and other hot crops on 30 acres in Shively. The incredibly deep topsoil allows the farmers to dry farm their crops, which means the plants are never watered! They harvest lemon cucumbers from August through mid October.
