Business Facts:

Lee Ann is from the Wiyot tribe and grew up picking native berries with her mom and grandmother. Later as an adult Lee Ann started a jam business and decided to preserve the native berries she picked as a kid. She picks berries with her dad almost every day during the summer and fall so she can turn them into jams and jellies. Varieties include salmonberry, native blackberry, thimbleberry, red and black huckleberry, elderberry, and salal berry!
