McIntosh Farm

Willow Creek, California

Loren and Aida at the farmers market.

Faces Behind The Farm:

Loren McIntosh, his brother Clayton, his wife Aida, and his son Jaril.

Farm Facts:

Loren's grandmother started to sell peaches from the family farm in Willow Creek in 1913! Today Loren and his family produce a large variety of tree fruit including peaches, figs, apples, persimmons, and pears. Loren has both Asian and European pear trees in his orchard. Asian pears have a texture more like apples, while European pears have a buttery texture when perfectly ripe.
