The system sends notifications about available jobs that align with your qualifications. Most employee absences are entered the day before the absence occurs, but employees can also enter their absences further out. Depending on your district's settings, you can discover available jobs that occur days, weeks, or even months in advance.

When a job for which you are qualified and available is entered, the Absence Management system will notify you about the new job over the phone and also via the online application. You can then choose to accept or reject the assignment.

Locating Your Jobs

The home page includes two places where you can access a list of jobs for which you are qualified and available to fill. Reference the "Available Jobs" option in the side navigation or locate the "Available Jobs" tab.

Accepting or Rejecting Jobs

Now that you have seen the job details, you are ready to accept or reject the job.

Rejecting a Job

To reject a job, all you have to do is click the **Reject** button beside the listing. The rejection of a job causes it to disappear from your available jobs, and you will not see it again.

To accept a job, click the green Accept button on the right side of the job listing.

Once a job is accepted, you will see a confirmation number at the top of the page. (*If there is a file attached to the absence, you will also see a link to view the attached file.) This pop-up will remain on your screen until you dismiss it. Click the "x" next to "Dismiss Message" to close the confirmation.
