THE LEGAL REQUIREMENTS PERTAINING TO A COUNTY-WIDE PLAN

Chapter 974, Section 8 was enacted into law in 1995 as a result of passage of Assembly Bill 922, Friedman. Section 48926 requires the development of a plan for providing education services to all expelled students. The text of that section reads:

"Each county superintendent of schools in counties that operate community schools pursuant to Section 1980, in conjunction with superintendents of the school districts within the county, shall develop a plan for providing education services to all expelled pupils in that county. The plan shall be adopted by the governing board of each school district within the county and by the county board of education.

The plan shall enumerate existing educational alternatives for expelled pupils, identify gaps in educational services to expelled pupils, and strategies for filling those service gaps. The plan shall also identify alternative placements for pupils who are expelled and placed in district community day school programs, but who fail to meet the terms and conditions of their rehabilitation plan or who pose a danger to other district pupils, as determined by the governing board.

Each county superintendent of schools, in conjunction with the superintendents of the school districts, shall submit to the Superintendent of Public Instruction the county plan for providing educational services to all expelled pupils in the county no later than June 30, 1997, and shall submit a triennial update to the plan to the Superintendent of Public Instruction, including the outcome data pursuant to 48916.1, on June 30th thereafter."

THE LAW REGARDING EXPULSION AND THE MAINTENANCE OF AN EDUCATIONAL PROGRAM FOR EXPELLED STUDENTS

Section 48916.1(a) which is referenced in 48926 reads:

"At the time an expulsion of a pupil is ordered, the governing board of the school district shall ensure that an educational program is provided to the pupil who is subject to the expulsion order for the period of the expulsion. Except for pupils expelled pursuant to subdivision (d) of Section 48915, the governing board of a school district is required to implement the provisions of this section only to the extent funds are appropriated for this purpose in the annual Budget Act or other legislation, or both."
DEFINITION OF KEY WORDS AND PHRASES

COUNTY COMMUNITY SCHOOL: Refers to an educational program offered by the county office of education under authority of Education Code Section 1980 (c). County community schools are optional programs.

DISTRICT COMMUNITY DAY SCHOOL: Refers to an educational program offered by a local school district in accordance with Education Code Section 48660 et seq. District community day schools are optional programs.

EXPULSION: Expulsion means removal of a pupil from the immediate supervision and control, or the general supervision, of school personnel, as those terms are used in Education Code Section 48900. In accordance with law, certain infractions require a board to expel a student while other infractions are optional in this regard. Please see the appendix for a more thorough discussion of the criteria for suspension/expulsion from school.

EXPULSION ORDER: Refers to the specific action of the governing board of a local school district to remove a pupil from attendance. Only a governing board can expel a student under authority described in Education Code Section 48918 (j).

INDEPENDENT STUDY: Describes an instructional approach wherein an individualized program (plan) of study is created for a student with most of the instruction occurring at home, or in the community, and not under the direct supervision of a credentialed teacher. Many independent study programs require as little as one hour of direct instruction per week with the remaining time in student self-directed study. Independent study programs are optional and, if authorized under local board policy, require parent and student approval before being utilized.

REHABILITATION PLAN: Refers to the required component within any order of expulsion that requires the board to describe a plan for rehabilitation for the expelled pupil. That plan may include, but is not limited to: a) periodic review and assessment at the time of review for readmission; b) recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service and/or other rehabilitation programs; and c) with parent/guardian consent, enrollment in a county-supported drug rehabilitation program if the offense was related to controlled substances as defined in Sections 11054 to 11058, inclusive, of the Health and Safety Code, or alcohol. (Reference Education Code Section 48916.5).

SUSPENDED EXPULSION: Refers to an action by the governing board to suspend their order of expulsion under certain conditions mutually agreed to by the student, the parent/guardian, and the board. A suspended expulsion plan typically requires the student to maintain appropriate behavior and positive attendance/academic progress during what would have been the term of expulsion. The penalty for failing to adhere to such terms and conditions automatically voids the suspension and results in the original expulsion order being implemented without further review by the board. Only those expulsions for behaviors considered "less serious" may be considered for possible suspension.
SERVICES/PROGRAM OPTION MATRIX AS OF MARCH 2012

What follows is a regional matrix summary of the programs and services available as of March, 2012, with gaps in services/programs as perceived by local school superintendents. An “Ø” identifies a gap that is perceived by the local school district and is one that it wishes to explore as a potential addition to its list of options. A “N/A” marking might also be considered a “gap;” however, “N/A” means that the district does not wish to explore this option at this time, that this option is not needed, or that the district could not consider creating such an option because of the small size of the district. A “✓” is an option which is currently established within the district. The data was obtained from a written survey of all thirty-two school districts.

EXISTING EDUCATIONAL ALTERNATIVES PROVIDED BY THE COUNTY

The Humboldt County Office of Education operates several community school sites in those geographic areas of the county where local school districts have requested the availability of such programs and where potential student enrollment would make such programs financially viable. As of the date of this plan, community school sites were operating in Eureka (serving students from the Central Bay area region), Fortuna (serving the Eel River Valley school districts and those from the Ferndale area) and Garberville (serving Southern Humboldt Unified School District).

Community schools are typically staffed with a one teacher/one aide instructional team for every twenty or so students. Enrollment is most common for students in grades seven through twelve if they meet eligibility criteria. Students are referred for enrollment consideration by the Juvenile Court, the Humboldt County Probation Department, district boards regarding expelled students, and SARB referrals after Probation has reviewed and recommended the student for community school enrollment. Enrollment is voluntary upon mutual agreement of the student, parent/guardian, community school teacher, community school principal and the probation officer. Each student undergoes an academic assessment at the time of entry and an educational plan is developed to ensure that the student could make satisfactory progress toward his/her educational goal. Student goals can include, but are not necessarily limited to: a) a desire to transfer back to the regular educational program at some time in the future; b) high school graduation; including passing the California High School Exit Exam, c) earning a GED certificate; or d) passage of the California High School Proficiency test once attaining the age of 16 and with parent/guardian consent.

Transportation to/from a county community school is the responsibility of the student and his/her parent/guardian. In some years, supplemental funding has been provided to purchase blocks of tickets on the local bus lines. When available, these tickets are given to students on an as needed and as requested basis.

As of March 31, 2012, fourteen of the 255 students enrolled in the county's various community school programs had been previously expelled by a local and non-local school districts.

GAPS IN SERVICES/PROGRAMS FOR EXPELLED STUDENTS

Please refer to the matrix pages to see those areas where either an "∅" or "N/A" appears. A "∅" identifies a gap that is perceived by the local school district and is one that it wishes to explore as a potential addition to its list of options. A "N/A" marking might also be considered a "gap;" however, "N/A" means that the district does not wish to explore this option at this time, or could not add such an option because of the small size of the district.
STRATEGIES FOR ADDRESSING THE IDENTIFIED GAPS IN SERVICES/PROGRAMS

GAP #1: Since the majority of elementary school districts in Humboldt County are single site districts, and facilities for additional classes are limited, few classroom alternatives are possible even if offered on a regional basis under a collaborative model. One possible solution strategy could be to create off-site district-operated community day schools with some of these programs enrolling students from more than one district. Fortuna Union High School and Klamath-Trinity Joint Unified School District are currently operating community day school programs.

GAP #2: Expelled students who are referred to community schools at the time of expulsion and who do not abide by the terms and conditions of their enrollment agreement, either for failing to meet discipline or attendance standards, may have a second viable alternative through enrollment in one of the charter schools within the county. The charter schools offer both site based and independent study options for students. Of course, students could be enrolled in a private school alternative with parent consent and parent paid tuition. Also a student could petition for enrollment in another public school district if they were not expelled under the mandatory sections of the Code. Fortunately, few students fail their community school placement; however, some students who are referred never enroll originally, and thus remain unattached to any school system.

Since the 2003 Plan and the identified need stated above, the County has created a Community School Orientation Program that the student and parent initially attend to get acquainted with the overall program, the staff and the procedures. The student is in the program for one week where he/she is given academic level assessments to determine appropriate program placement and has an opportunity to establish a relationship with an adult who is responsible for assisting the student in maintaining a good attendance record and making appropriate choices in school. This same adult will be able to assist family members in supporting their student in school attendance and school work completion.

GAP #3: There are currently no district community day school programs located in the North County, Central Bay, South Central County and South County areas.

ALTERNATIVE PLACEMENTS FOR STUDENTS WHO ARE EXPELLED AND PLACED IN DISTRICT COMMUNITY DAY SCHOOLS BUT WHO FAIL TO MEET THE TERMS AND CONDITIONS OF THEIR REHABILITATION PLAN OR WHO ARE CONSIDERED A DANGER TO OTHER DISTRICT PUPILS

The option for these students is enrollment in a county-operated community school, a charter school, or a private school.
BEST PRACTICES, AT THE SITE AND DISTRICT LEVELS, OF BEHAVIORAL INTERVENTION APPROACHES AND OPTIONS USED TO MINIMIZE THE NUMBER OF SUSPENSIONS LEADING TO EXPULSIONS, OF EXPULSIONS BEING ORDERED, AND TO SUPPORT STUDENTS RETURNING FROM EXPULSIONS.

A binder of information (“Humboldt County Office of Education Suspension/Expulsion Procedures for School Site Administrators”) has been distributed to every Superintendent and Principal to establish uniform vocabulary, forms and procedures across the county.

At the site and district levels, best practices were submitted and compiled. Common throughout the best practices is that clear expectations for students and support from parents regarding acceptable and non-acceptable behavior is a key component of an effective plan. Other common practices include:

1. Ongoing communication with and involvement of parents,
2. In-house “reflection” rather than off campus suspension,
3. Character education,
4. Response to Intervention (RtI),
5. Student and parent signed behavior agreements at the beginning of the school year which clearly spell out consequences for specific behaviors,
6. Positive administrator relationships developed with each student before discipline is needed,
7. Employ a PPS-certified, LCSE school social worker,
8. Weekly conflict meetings including AVID, GRIP and law enforcement,
9. Positive Behavioral Interventions and Supports,
10. “Cops on Campus” program which facilitates positive relationships with law enforcement,
11. Professional Development for all staff in bullying prevention,
12. Weekly communications class focusing on topics such as conflict resolution skills which teach students to manage their own behavior,

All schools indicated, and the data reflects, that they do not have disproportionate representation of minority students in interventions. All interventions are applied equally and as needed.
TIMELINE FOR REVISION OF THE JOINT EDUCATIONAL SERVICES PLAN

This plan is required by law to be updated during the period of January 2012 through June 2012, and is to be re-submitted at that time to the State Superintendent of Public Instruction. Those persons responsible for updating the plan shall be the Humboldt County Office of Education Superintendent’s Designated Representative who will work in collaboration with local school district Superintendents and the Humboldt County Office of Education Community School Principal.

*This document has been revised as a result of the input from all 32 districts in Humboldt County during the Spring of this school year. This represents the official revised countywide plan for the Joint Education Services Plan for Expelled Students in Humboldt County.

(1) "Bullying" means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a pupil or group of pupils as defined in Section 48900.2, 48900.3, or 48900.4, directed toward one or more pupils that has or can be reasonably predicted to have the effect of one or more of the following:

A pupil may be suspended or expelled for acts that are enumerated in this section and related to school activity or attendance that occur at any time, including, but not limited to, any of the following:

(4) During, or while going to or coming from, a school-sponsored activity.

(t) A pupil who aids or abets, as defined in Section 31 of the Penal Code, the infliction or attempted infliction of physical injury to another person may be subject to suspension, but not expulsion, pursuant to this section, except that a pupil who has been adjudged by a juvenile court to have committed, as an aider and abettor, a crime of physical violence in which the victim suffered great bodily injury or serious bodily injury shall be subject to discipline pursuant to subdivision (a).

(u) As used in this section, "school property" includes, but is not limited to, electronic files and databases.

(v) A superintendent of the school district or principal may use his or her discretion to provide alternatives to suspension or expulsion, including, but not limited to, counseling and an anger management program, for a pupil subject to discipline under this section.

(w) It is the intent of the Legislature that alternatives to suspension or expulsion be imposed against a pupil who is truant, tardy, or otherwise absent from school activities.

48900.2 In addition to the reasons specified in Section 48900, a pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has committed sexual harassment as defined in Section 212.5.

For the purposes of this chapter, the conduct described in Section 212.5 must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual's academic performance or to create an intimidating, hostile, or offensive educational environment. This section shall not apply to pupils enrolled in kindergarten and grades 1 to 3, inclusive.
48900.3. In addition to the reasons set forth in Sections 48900 and 48900.2, a pupil in any of grades 4 to 12, inclusive, may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has caused, attempted to cause, threatened to cause, or participated in an act of, hate violence, as defined in subdivision (e) of Section 233.

48900.4. In addition to the grounds specified in Sections 48900 and 48900.2, a pupil enrolled in any of grades 4 to 12, inclusive, may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has intentionally engaged in harassment, threats, or intimidation, directed against school district personnel or pupils, that is sufficiently severe or pervasive to have the actual and reasonably expected effect of materially disrupting classwork, creating substantial disorder, and invading the rights of either school personnel or pupils by creating an intimidating or hostile educational environment.

48900.6. As part of or instead of disciplinary action prescribed by this article, the principal of a school, the principal's designee, the superintendent of schools, or the governing board may require a pupil to perform community service on school grounds or, with written permission of the parent or guardian of the pupil, on school grounds, during the pupil's nonschool hours. For the purposes of this section, "community service" may include, but is not limited to, work performed in the community or on school grounds in the areas of outdoor beautification, community or campus betterment, and teacher, peer, or youth assistance programs. This section does not apply if a pupil has been suspended, pending expulsion, pursuant to Section 48915. However, this section applies if the recommended expulsion is not implemented or is, itself, suspended by stipulation or other administrative action.

48900.7. (a) In addition to the reasons specified in Sections 48900, 48900.2, 48900.3, and 48900.4, a pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has made terroristic threats against school officials or school property, or both.

(b) For the purposes of this section, "terroristic threat" shall include any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars ($1,000), with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety or for his or her immediate family's safety, or for the protection of school district property, or the personal property of the person threatened or his or her immediate family.

48900.8. For purposes of notification to parents, and for the reporting of expulsion or suspension offenses to the department, each school district shall specifically identify, by offense committed, in all appropriate official records of a pupil each suspension or expulsion of that pupil for the commission of any of the offenses set forth in Section 48900, 48900.2, 48900.3, 48900.4, 48900.7, or 48915.

48904.3. (a) Upon receiving notice that a school district has withheld the grades, diploma, or transcripts of any pupil pursuant to Section 48904, any school district to which the pupil has transferred shall likewise withhold the grades, diploma, or transcripts of the pupil as authorized by that section, until the time that it receives notice, from the district that initiated the decision to withhold, that the decision has been rescinded under the terms of that section.

(b) Any school district that has decided to withhold a pupil's grades, diploma, or transcripts pursuant to Section 48904 shall, upon receiving notice that the pupil has transferred to any school district in this state, notify the parent or guardian of the pupil in writing that the decision to withhold will be enforced as specified in subdivision (a).

(c) For purposes of this section and Section 48904, "school district" is defined to include any county superintendent of schools.

(d) This section and Section 48904 shall also apply to the state special schools, as described in subdivision (a) of Section 48927.
All pupils shall comply with the regulations, pursue the required course of study, and submit to the authority of the teachers of the schools.

When a petition is requested in juvenile court or a complaint is filed in any court alleging that a minor of compulsory school attendance age or any pupil currently enrolled in a public school in a grade to and including grade 12 is a person who (a) has used, sold, or possessed narcotics or other hallucinogenic drugs or substances; (b) has inhaled or breathed the fumes of, or ingested any poison classified as such in Section 4160 of the Business and Professions Code; or (c) has committed felonious assault, homicide, or rape the district attorney may, within 48 hours, provide written notice to the superintendent of the school district of attendance, notwithstanding the provisions of Section 827 of the Welfare and Institutions Code, and to the pupil's parent or guardian.

(a) Except as provided in subdivisions (c) and (e), the principal or the superintendent of schools shall recommend the expulsion of a pupil for any of the following acts committed at school or at a school activity off school grounds, unless the principal or superintendent finds that expulsion is inappropriate, due to the particular circumstance:

(1) Causing serious physical injury to another person, except in self-defense.
(2) Possession of any knife or other dangerous object of no reasonable use to the pupil.
(3) Unlawful possession of any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, except for the first offense for the possession of not more than one avoid DUPLOS ounce of marijuana, other than concentrated cannabis.
(4) Robbery or extortion.
(5) Assault or battery, as defined in Sections 240 and 242 of the Penal Code, upon any school employee.

(b) Upon recommendation by the principal, superintendent of schools, or by a hearing officer or administrative panel appointed pursuant to subdivision (d) of Section 48918, the governing board may order a pupil expelled upon finding that the pupil committed an act listed in subdivision (a) or in subdivision (a), (b), (c), (d), or (e) of Section 48900. A decision to expel shall be based on a finding of one or both of the following:

(1) Other means of correction are not feasible or have repeatedly failed to bring about proper conduct.
(2) Due to the nature of the act, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others.

(c) The principal or superintendent of schools shall immediately suspend, pursuant to Section 48911, and shall recommend expulsion of a pupil that he or she determines has committed any of the following acts at school or at a school activity off school grounds:

(1) Possessing, selling, or otherwise furnishing a firearm. This subdivision does not apply to an act of possessing a firearm if the pupil had obtained prior written permission to possess the firearm from a certificated school employee, which is concurred in by the principal or the designee of the principal. This subdivision applies to an act of possessing a firearm only if the possession is verified by an employee of a school district.
(2) Brandishing a knife at another person.
(3) Unlawfully selling a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code.
(4) Committing or attempting to commit a sexual assault as defined in subdivision (n) of Section 48900 or committing a sexual battery as defined in subdivision (n) of Section 48900.
(5) Possession of an explosive.

(d) The governing board shall order a pupil expelled upon finding that the pupil committed an act listed in subdivision (c), and shall refer that pupil to a program of study that meets all of the following conditions:

(1) Is appropriately prepared to accommodate pupils who exhibit discipline problems.
(2) Is not provided at a comprehensive middle, junior, or senior high school, or at any elementary school.
(3) Is not housed at the schoolsite attended by the pupil at the time of suspension.

(e) Upon recommendation by the principal, superintendent of schools, or by a hearing officer or administrative panel appointed pursuant to subdivision (d) of Section 48918, the governing board may order a pupil expelled upon finding that the pupil, at school or at a school activity off of school grounds violated
subdivision (f), (g), (h), (i), (j), (k), (l), or (m) of Section 48900, or Section 48900.2, 48900.3, or 48900.4, and either of the following:

(1) That other means of correction are not feasible or have repeatedly failed to bring about proper conduct.

(2) That due to the nature of the violation, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others.

(f) The governing board shall refer a pupil who has been expelled pursuant to subdivision (b) or (e) to a program of study which meets all of the conditions specified in subdivision (d). Notwithstanding this subdivision, with respect to a pupil expelled pursuant to subdivision (e), if the county superintendent of schools certifies that an alternative program of study is not available at a site away from a comprehensive middle, junior, or senior high school, or an elementary school, and that the only option for placement is at another comprehensive middle, junior, or senior high school, or another elementary school, the pupil may be referred to a program of study that is provided at a comprehensive middle, junior, or senior high school, or at an elementary school.

(g) As used in this section, "knife" means any dirk, dagger, or other weapon with a fixed, sharpened blade fitted primarily for stabbing, a weapon with a blade fitted primarily for stabbing, a weapon with a blade longer than 3 1/2 inches, a folding knife with a blade that locks into place, or a razor with an unguarded blade.

(h) As used in this section, the term "explosive" means "destructive device" as described in Section 921 of Title 18 of the United States Code.

48915.01. If the governing board of a school district has established a community day school pursuant to Section 48661 on the same site as a comprehensive middle, junior, or senior high school, or at any elementary school, the governing board does not have to meet the condition in paragraph (2) of subdivision (d) of Section 48915 when the board, pursuant to subdivision (f) of Section 48915, refers a pupil to a program of study and that program of study is at the community day school. All the other conditions of subdivision (d) of Section 48915 are applicable to the referral as required by subdivision (f) of Section 48915.

48915.1. (a) If the governing board of a school district receives a request from an individual who has been expelled from another school district for an act other than those described in subdivision (a) or (c) of Section 48915, for enrollment in a school maintained by the school district, the board shall hold a hearing to determine whether that individual poses a continuing danger either to the pupils or employees of the school district. The hearing and notice shall be conducted in accordance with the rules and regulations governing procedures for the expulsion of pupils as described in Section 48918. A school district may request information from another school district regarding a recommendation for expulsion or the expulsion of an applicant for enrollment. The school district receiving the request shall respond to the request with all deliberate speed but shall respond no later than five working days from the date of the receipt of the request.

(b) If a pupil has been expelled from his or her previous school for an act other than those listed in subdivision (a) or (c) of Section 48915, the parent, guardian, or pupil, if the pupil is emancipated or otherwise legally of age, shall, upon enrollment, inform the receiving school district of his or her status with the previous school district. If this information is not provided to the school district and the school district later determines the pupil was expelled from the previous school, the lack of compliance shall be recorded and discussed in the hearing required pursuant to subdivision (a).

(c) The governing board of a school district may make a determination to deny enrollment to an individual who has been expelled from another school district for an act other than those described in subdivision (a) or (c) of Section 48915, for the remainder of the expulsion period after a determination has been made, pursuant to a hearing, that the individual poses a potential danger to either the pupils or employees of the school district.

(d) The governing board of a school district, when making its determination whether to enroll an individual who has been expelled from another school district for these acts, may consider the following options:

(1) Deny enrollment.

(2) Permit enrollment.

(3) Permit conditional enrollment in a regular school program or another educational program.

(e) Notwithstanding any other provision of law, the governing board of a school district, after a determination has been made, pursuant to a hearing, that an individual expelled from another school district
for an act other than those described in subdivision (a) or (c) of Section 48915 does not pose a danger to
either the pupils or employees of the school district, shall permit the individual to enroll in a school in the
school district during the term of the expulsion, provided that he or she, subsequent to the expulsion, either
has established legal residence in the school district, pursuant to Section 48200, or has enrolled in the
school pursuant to an interdistrict agreement executed between the affected school districts pursuant to
Chapter 5 (commencing with Section 46600).

48915.2. (a) A pupil expelled from school for any of the offenses listed in subdivision (a) or (c) of Section
48915, shall not be permitted to enroll in any other school or school district during the period of expulsion
unless it is a county community school pursuant to subdivision (c) of Section 1981, or a juvenile court
school, as described in Section 48645.1, or a community day school pursuant to Article 3 (commencing
with Section 48660) of Chapter 4 of Part 27.

(b) After a determination has been made, pursuant to a hearing under Section 48918, that an individual
expelled from another school district for any act described in subdivision (a) or (c) of Section 48915 does
not pose a danger to either the pupils or employees of the school district, the governing board of a school
district may permit the individual to enroll in the school district after the term of expulsion, subject to one
of the following conditions:

(1) He or she has established legal residence in the school district, pursuant to Section 48200.

(2) He or she is enrolled in the school pursuant to an interdistrict agreement executed between
the affected school districts pursuant to Chapter 5 (commencing with Section 46600) of Part 26.

48915.5. (a) An individual with exceptional needs, as defined in Section 56026, may be suspended or
expelled from school in accordance with Section 1415(k) of Title 20 of the United States Code, the
discipline provisions contained in Sections 300.530 to 300.537, inclusive, of Title 34 of the Code of Federal
Regulations, and other provisions of this part that do not conflict with federal law and regulations.

(b) A free appropriate public education for individuals with exceptional needs suspended or expelled from
school shall be in accordance with Section 1412(a)(1) of Title 20 of the United States Code and Section
300.530(d) of Title 34 of the Code of Federal Regulations.

(c) If an individual with exceptional needs is excluded from schoolbus transportation, the pupil is entitled
to be provided with an alternative form of transportation at no cost to the pupil or parent or guardian
provided that transportation is specified in the pupil's individualized education program.

48915.7. It is the intent of the Legislature that where community school opportunities exist, the principal
shall recommend for expulsion, and the governing board shall expel, any pupil who is found to be in
possession of a firearm at school or at a school activity off school grounds and that the governing board
shall request the county board of education to enroll the pupil in a community school.

48916. (a) An expulsion order shall remain in effect until the governing board, in the manner prescribed in
this article, orders the readmission of a pupil. At the time an expulsion of a pupil is ordered for an act other
than those described in subdivision (c) of Section 48913, the governing board shall set a date, not later than
the last day of the semester following the semester in which the expulsion occurred, when the pupil shall be
reviewed for readmission to a school maintained by the district or to the school the pupil last attended. If an
expulsion is ordered during summer session or the intersession period of a year-round program the
governing board shall set a date, not later than the last day of the semester following the summer session or
intersession period in which the expulsion occurred, when the pupil shall be reviewed for readmission to a
school maintained by the district or to the school the pupil last attended. For a pupil who has been expelled
pursuant to subdivision (c) of Section 48915, the governing board shall set a date of one year from the date
the expulsion occurred, when the pupil shall be reviewed for readmission to a school maintained by the
district, except that the governing board may set an earlier date for readmission on a case-by-case basis.

(b) The governing board shall recommend a plan of rehabilitation for the pupil at the time of the
expulsion order, which may include, but not be limited to, periodic review as well as assessment at the time
of review for readmission. The plan may also include recommendations for improved academic
performance, tutoring, special education assessments, job training, counseling, employment, community
service, or other rehabilitative programs.

(c) The governing board of each school district shall adopt rules and regulations establishing a procedure
for the filing and processing of requests for readmission and the process for the required review of all
expelled pupils for readmission. Upon completion of the readmission process, the governing board shall
readmit the pupil, unless the governing board makes a finding that the pupil has not met the conditions of the rehabilitation plan or continues to pose a danger to campus safety or to other pupils or employees of the school district. A description of the procedure shall be made available to the pupil and the pupil's parent or guardian at the time the expulsion order is entered.

(d) If the governing board denies the readmission of an expelled pupil pursuant to subdivision (c), the governing board shall make a determination either to continue the placement of the pupil in the alternative educational program initially selected for the pupil during the period of the expulsion order or to place the pupil in another program that may include, but need not be limited to, serving expelled pupils, including placement in a county community school.

(e) The governing board shall provide written notice to the expelled pupil and the pupil's parent or guardian describing the reasons for denying the pupil readmittance into the regular school district program. The written notice shall also include the determination of the educational program for the expelled pupil pursuant to subdivision (d). The expelled pupil shall enroll in that educational program unless the parent or guardian of the pupil elects to enroll the pupil in another school district.

48916.1 (a) At the time an expulsion of a pupil is ordered, the governing board of the school district shall ensure that an educational program is provided to the pupil who is subject to the expulsion order for the period of the expulsion. Except for pupils expelled pursuant to subdivision (d) of Section 48915, the governing board of a school district is required to implement the provisions of this section only to the extent funds are appropriated for this purpose in the annual Budget Act or other legislation, or both.

(b) Notwithstanding any other provision of law, any educational program provided pursuant to subdivision (a) may be operated by the school district, the county superintendent of schools, or a consortium of districts or in joint agreement with the county superintendent of schools.

(c) Any educational program provided pursuant to subdivision (b) may not be situated within or on the grounds of the school from which the pupil was expelled.

(d) If the pupil who is subject to the expulsion order was expelled from any of kindergarten or grades 1 to 6, inclusive, the educational program provided pursuant to subdivision (b) may not be combined or merged with educational programs offered to pupils in any of grades 7 to 12, inclusive. The district or county program is the only program required to be provided to expelled pupils as determined by the governing board of the school district. This subdivision, as it relates to the separation of pupils by grade levels, does not apply to community day schools offering instruction in any of kindergarten and grades 1 to 8, inclusive, and established in accordance with Section 48660.

(e) (1) Each school district shall maintain the following data:

   (A) The number of pupils recommended for expulsion.
   (B) The grounds for each recommended expulsion.
   (C) Whether the pupil was subsequently expelled.
   (D) Whether the expulsion order was suspended.
   (E) The type of referral made after the expulsion.
   (F) The disposition of the pupil after the end of the period of expulsion.

   (2) The Superintendent may require a school district to report this data as part of the coordinated compliance review. If a school district does not report outcome data as required by this subdivision, the Superintendent may not apportion any further money to the school district pursuant to Section 48664 until the school district is in compliance with this subdivision. Before withholding the apportionment of funds to a school district pursuant to this subdivision, the Superintendent shall give written notice to the governing board of the school district that the school district has failed to report the data required by paragraph (1) and that the school district has 30 calendar days from the date of the written notice of noncompliance to report the requested data and thereby avoid the withholding of the apportionment of funds.

(f) If the county superintendent of schools is unable for any reason to serve the expelled pupils of a school district within the county, the governing board of that school district may enter into an agreement with a county superintendent of schools in another county to provide education services for the district's expelled pupils.

48916.5 The governing board may require a pupil who is expelled from school for reasons relating to controlled substances, as defined in Sections 11054 to 11058, inclusive, of the Health and Safety Code, or alcohol, prior to returning to school to enroll in a county-supported drug rehabilitation program. No pupil
shall be required to enroll in a rehabilitation program pursuant to this section without the consent of his or her parent or guardian.

48917. (a) The governing board, upon voting to expel a pupil, may suspend the enforcement of the expulsion order for a period of not more than one calendar year and may, as a condition of the suspension of enforcement, assign the pupil to a school, class, or program that is deemed appropriate for the rehabilitation of the pupil. The rehabilitation program to which the pupil is assigned may provide for the involvement of the pupil's parent or guardian in his or her child's education in ways that are specified in the rehabilitation program. A parent or guardian's refusal to participate in the rehabilitation program shall not be considered in the governing board's determination as to whether the pupil has satisfactorily completed the rehabilitation program.

(b) The governing board shall apply the criteria for suspending the enforcement of the expulsion order equally to all pupils, including individuals with exceptional needs as defined in Section 56026.

(c) During the period of the suspension of the expulsion order, the pupil is deemed to be on probationary status.

(d) The governing board may revoke the suspension of an expulsion order under this section if the pupil commits any of the acts enumerated in Section 48900 or violates any of the district's rules and regulations governing pupil conduct. When the governing board revokes the suspension of an expulsion order, a pupil may be expelled under the terms of the original expulsion order.

(e) Upon satisfactory completion of the rehabilitation assignment of a pupil, the governing board shall reinstate the pupil in a school of the district and may also order the expungement of any or all records of the expulsion proceedings.

(f) A decision of the governing board to suspend an expulsion order does not affect the time period and requirements for the filing of an appeal of the expulsion order with the county board of education required under Section 48919. Any appeal shall be filed within 30 days of the original vote of the governing board.

48918. The governing board of each school district shall establish rules and regulations governing procedures for the expulsion of pupils. These procedures shall include, but are not necessarily limited to, all of the following:

(a) The pupil shall be entitled to a hearing to determine whether the pupil should be expelled. An expulsion hearing shall be held within 30 schooldays after the date the principal or the superintendent of schools determines that the pupil has committed any of the acts enumerated in Section 48900, unless the pupil requests, in writing, that the hearing be postponed. The adopted rules and regulations shall specify that the pupil is entitled to at least one postponement of an expulsion hearing, for a period of not more than 30 calendar days. Any additional postponement may be granted at the discretion of the governing board.

Within 10 schooldays after the conclusion of the hearing, the governing board shall decide whether to expel the pupil, unless the pupil requests in writing that the decision be postponed. If the hearing is held by a hearing officer or an administrative panel, or if the district governing board does not meet on a weekly basis, the governing board shall decide whether to expel the pupil within 40 schooldays after the date of the pupil's removal from his or her school of attendance for the incident for which the recommendation for expulsion is made by the principal or the superintendent, unless the pupil requests in writing that the decision be postponed.

If compliance by the governing board with the time requirements for the conducting of an expulsion hearing under this subdivision is impracticable during the regular school year, the superintendent of schools or the superintendent's designee may, for good cause, extend the time period for the holding of the expulsion hearing for an additional five schooldays. If compliance by the governing board with the time requirements for the conducting of an expulsion hearing under this subdivision is impractical due to a summer recess of governing board meetings of more than two weeks, the days during the recess period shall not be counted as schooldays in meeting the time requirements. The days not counted as schooldays in meeting the time requirements for an expulsion hearing because of a summer recess of governing board meetings shall not exceed 20 schooldays, as defined in subdivision (c) of Section 48925, and unless the pupil requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of school for the school year. Reasons for the extension of the time for the hearing shall be included as a part of the record at the time the expulsion hearing is conducted. Upon the commencement of the hearing, all matters shall be pursued and conducted with reasonable diligence and shall be concluded without any unnecessary delay.
(b) Written notice of the hearing shall be forwarded to the pupil at least 10 calendar days prior to the date of the hearing. The notice shall include all of the following:

(1) The date and place of the hearing.

(2) A statement of the specific facts and charges upon which the proposed expulsion is based.

(3) A copy of the disciplinary rules of the district that relate to the alleged violation.

(4) A notice of the parent, guardian, or pupil's obligation pursuant to subdivision (b) of Section 48915.1.

(5) Notice of the opportunity for the pupil or the pupil’s parent or guardian to appear in person or to be represented by legal counsel or by a nonattorney adviser, to inspect and obtain copies of all documents to be used at the hearing, to confront and question all witnesses who testify at the hearing, to question all other evidence presented, and to present oral and documentary evidence on the pupil’s behalf, including witnesses. In a hearing in which a pupil is alleged to have committed or attempted to commit a sexual assault as specified in subdivision (n) of Section 48900 or committing a sexual battery as defined in subdivision (n) of Section 48900, a complaining witness shall be given five days' notice before being called to testify, and shall be entitled to have up to two adult support persons, including, but not limited to, a parent, guardian, or legal counsel, present during their testimony. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential. Nothing in this subdivision shall preclude the person presiding over an expulsion hearing from removing a support person whom the presiding person finds is disrupting the hearing. If one or both of the support persons is also a witness, the provisions of Section 868.5 of the Penal Code shall be followed for the hearing. This section does not require a pupil or the pupil’s parent or guardian to be represented by legal counsel or by a nonattorney adviser at the hearing.

(A) For purposes of this section, "legal counsel" means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California.

(B) For purposes of this section, "nonattorney advisor" means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case, and has been selected by the pupil or pupil's parent or guardian to provide assistance at the hearing.

(c) Notwithstanding Section 54593 of the Government Code and Section 35145, the governing board shall conduct a hearing to consider the expulsion of a pupil in a session closed to the public, unless the pupil requests, in writing, at least five days before the date of the hearing, that the hearing be conducted at a public meeting. Regardless of whether the expulsion hearing is conducted in a closed or public session, the governing board may meet in closed session for the purpose of deliberating and determining whether the pupil should be expelled.

If the governing board or the hearing officer or administrative panel appointed under subdivision (d) to conduct the hearing admits any other person to a closed deliberation session, the parent or guardian of the pupil, the pupil, and the counsel of the pupil also shall be allowed to attend the closed deliberations.

If the hearing is to be conducted at a public meeting, and there is a charge of committing or attempting to commit a sexual assault as defined in subdivision (n) of Section 48900 or committing a sexual battery as defined in subdivision (n) of Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm, including, but not limited to, videotaped deposition or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.

(d) Instead of conducting an expulsion hearing itself, the governing board may contract with the county hearing officer, or with the Office of Administrative Hearings of the State of California pursuant to Chapter 14 (commencing with Section 27720) of Part 3 of Division 2 of Title 3 of the Government Code and Section 35207, for a hearing officer to conduct the hearing. The governing board may also appoint an impartial administrative panel of three or more certificated persons, none of whom is a member of the board or employed on the staff of the school in which the pupil is enrolled. The hearing shall be conducted in accordance with all of the procedures established under this section.

(e) Within three school days after the hearing, the hearing officer or administrative panel shall determine whether to recommend the expulsion of the pupil to the governing board. If the hearing officer or administrative panel decides not to recommend expulsion, the expulsion proceedings shall be terminated and the pupil immediately shall be reinstated and permitted to return to a classroom instructional program, any other instructional program, a rehabilitation program, or any combination of these programs.
Placement in one or more of these programs shall be made by the superintendent of schools or the superintendent's designee after consultation with school district personnel, including the pupil's teachers, and the pupil's parent or guardian. The decision not to recommend expulsion shall be final.

(f) If the hearing officer or administrative panel recommends expulsion, findings of fact in support of the recommendation shall be prepared and submitted to the governing board. All findings of fact and recommendations shall be based solely on the evidence adduced at the hearing. If the governing board accepts the recommendation calling for expulsion, acceptance shall be based either upon a review of the findings of fact and recommendations submitted by the hearing officer or panel or upon the results of any supplementary hearing conducted pursuant to this section that the governing board may order.

The decision of the governing board to expel a pupil shall be based upon substantial evidence relevant to the charges adduced at the expulsion hearing or hearings. Except as provided in this section, no evidence to expel shall be based solely upon hearsay evidence. The governing board or the hearing officer or administrative panel may, upon a finding that good cause exists, determine that the disclosure of either the identity of a witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations which shall be examined only by the governing board or the hearing officer or administrative panel. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

(g) A record of the hearing shall be made. The record may be maintained by any means, including electronic recording, so long as a reasonably accurate and complete written transcription of the proceedings can be made.

(h) Technical rules of evidence shall not apply to the hearing, but relevant evidence may be admitted and given probative effect only if it is the kind of evidence upon which reasonable persons are accustomed to rely in the conduct of serious affairs. A decision of the governing board to expel shall be supported by substantial evidence showing that the pupil committed any of the acts enumerated in Section 48900.

In hearings which include an allegation of committing or attempting to commit a sexual assault as defined in subdivision (n) of Section 48900 or committing a sexual battery as defined in subdivision (n) of Section 48900, evidence of specific instances, of a complaining witness' prior sexual conduct is to be presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before the person conducting the hearing makes the determination on whether extraordinary circumstances exist requiring that specific instances of a complaining witness' prior sexual conduct be heard, the complaining witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, guardian, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

(i) (1) Before the hearing has commenced, the governing board may issue subpoenas at the request of either the superintendent of schools or the superintendent's designee or the pupil, for the personal appearance of percipient witnesses at the hearing. After the hearing has commenced, the governing board or the hearing officer or administrative panel may, upon request of either the county superintendent of schools or the superintendent's designee or the pupil, issue subpoenas. All subpoenas shall be issued in accordance with Sections 1985, 1985.1, and 1985.2 of the Code of Civil Procedure. Enforcement of subpoenas shall be done in accordance with Section 11455.20 of the Government Code.

(2) Any objection raised by the superintendent of schools or the superintendent's designee or the pupil to the issuance of subpoenas may be considered by the governing board in closed session, or in open session, if so requested by the pupil before the meeting. Any decision by the governing board in response to an objection to the issuance of subpoenas shall be final and binding.

(3) If the governing board, hearing officer, or administrative panel determines, in accordance with subdivision (f), that a percipient witness would be subject to an unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as provided for in subdivision (f).

(4) Service of process shall be extended to all parts of the state and shall be served in accordance with Section 1987 of the Code of Civil Procedure. All witnesses appearing pursuant to subpoena, other than the parties or officers or employees of the state or any political subdivision thereof, shall receive fees, and all witnesses appearing pursuant to subpoena, except the parties, shall receive mileage in the same amount and
under the same circumstances as prescribed for witnesses in civil actions in a superior court. Fees and mileage shall be paid by the party at whose request the witness is subpoenaed.

(j) Whether an expulsion hearing is conducted by the governing board or before a hearing officer or administrative panel, final action to expel a pupil shall be taken only by the governing board in a public session. Written notice of any decision to expel or to suspend the enforcement of an expulsion order during a period of probation shall be sent by the superintendent of schools or his or her designee to the pupil or the pupil's parent or guardian and shall be accompanied by all of the following:

1. Notice of the right to appeal the expulsion to the county board of education.
2. Notice of the education alternative placement to be provided to the pupil during the time of expulsion.
3. Notice of the obligation of the parent, guardian, or pupil under subdivision (b) of Section 48915.1, upon the pupil's enrollment in a new school district, to inform that district of the pupil's expulsion.

(k) The governing board shall maintain a record of each expulsion, including the cause therefor. Records of expulsions shall be a nonprivileged, disclosable public record. The expulsion order and the causes therefor shall be recorded in the pupil's mandatory interim record and shall be forwarded to any school in which the pupil subsequently enrolls upon receipt of a request from the admitting school for the pupil's school records.

48919. If a pupil is expelled from school, the pupil or the pupil's parent or guardian may, within 30 days following the decision of the governing board to expel, file an appeal to the county board of education which shall hold a hearing thereon and render its decision.

The county board of education, or in a class 1 or class 2 county a hearing officer or impartial administrative panel, shall hold the hearing within 20 schooldays following the filing of a formal request under this section. If the county board of education hears the appeal without a hearing conducted pursuant to Section 48919.5, then the board shall render a decision within three schooldays of the hearing conducted pursuant to Section 48920, unless the pupil requests a postponement.

The period within which an appeal is to be filed shall be determined from the date a governing board votes to expel even if enforcement of the expulsion action is suspended and the pupil is placed on probation pursuant to Section 48917. A pupil who fails to appeal the original action of the board within the prescribed time may not subsequently appeal a decision of the board to revoke probation and impose the original order of expulsion.

The county board of education shall adopt rules and regulations establishing procedures for expulsion appeals conducted under this section. If the county board of education in a class 1 or class 2 county elects to use the procedures in Section 48919.5, then the board shall adopt rules and regulations establishing procedures for expulsion appeals conducted under Section 48919.5. The adopted rules and regulations shall include, but need not be limited to, the requirements for filing a notice of appeal, the setting of a hearing date, the furnishing of notice to the pupil and the governing board regarding the appeal, the furnishing of a copy of the expulsion hearing record to the county board of education, procedures for the conduct of the hearing, and the preservation of the record of the appeal.

The pupil shall submit a written request for a copy of the written transcripts and supporting documents from the school district simultaneously with the filing of the notice of appeal with the county board of education. The school district shall provide the pupil with the transcripts, supporting documents, and records within 10 schooldays following the pupil's written request. Upon receipt of the records, the pupil shall immediately file copies of these records with the county board of education.

48919.5. (a) A county board of education in a class 1 or class 2 county may have a hearing officer pursuant to Chapter 14 (commencing with Section 27720) of Part 3 of Title 3 of the Government Code, or an impartial administrative panel of three or more certificated persons appointed by the county board of education, hear appeals filed pursuant to Section 48919. The members of the impartial administrative panel shall not be members of the governing board of the school district nor employees of the school district, from which the pupil filing the appeal was expelled. Neither the hearing officer, nor any member of the administrative panel, hearing a pupil's appeal shall have been the hearing officer or a member of the administrative panel that conducted the pupil's expulsion hearing.

(b) A hearing conducted pursuant to this section shall not issue a final order of the county board. The hearing officer or impartial administrative panel shall prepare a recommended decision, including any findings or conclusions required for that decision, and shall submit that recommendation and the record to the county board of education within three schooldays of hearing the appeal.
(c) Sections 48919, 48920, 48921, 48922, 48923, and 48925 are applicable to a hearing conducted pursuant to this section.

(d) Within 10 schooldays of receiving the recommended decision and record from the hearing officer or the impartial administrative panel, the county board of education shall review the recommended decision and record and render a final order of the board.

(e) For purposes of this article, the following definitions shall apply:

1. "Countywide ADA" means the aggregate number of annual units of regular average daily attendance for the fiscal year in all school districts within the county.

2. "Class 1 county" means a county with 1994/95 countywide ADA of more than 500,000.

3. "Class 2 county" means a county with 1994/95 countywide ADA of at least 180,000 but less than 500,000.

48920. Notwithstanding the provisions of Section 54950 of the Government Code and Section 35145 of this code, the county board of education shall hear an appeal of an expulsion order in closed session, unless the pupil requests, in writing, at least five days prior to the date of the hearing, that the hearing be conducted in a public meeting. Upon the timely submission of a request for a public meeting, the county board of education shall be required to honor the request. Whether the hearing is conducted in closed or public session, the county board may meet in closed session for the purpose of deliberations. If the county board admits any representative of the pupil or the school district, the board shall, at the same time, admit representatives from the opposing party.

48921. The county board of education shall determine the appeal from a pupil expulsion upon the record of the hearing before the district governing board, together with such applicable documentation or regulations as may be ordered. No evidence other than that contained in the record of the proceedings of the school board may be heard unless a de novo proceeding is granted as provided in Section 48923.

It shall be the responsibility of the pupil to submit a written transcription for review by the county board. The cost of the transcript shall be borne by the pupil except in either of the following situations:

1. Where the pupil's parent or guardian certifies to the school district that he or she cannot reasonably afford the cost of the transcript because of limited income or exceptional necessary expenses, or both.

2. In a case in which the county board reverses the decision of the local governing board, the county board shall require that the local board reimburse the pupil for the cost of such transcription.

48922. (a) The review by the county board of education of the decision of the governing board shall be limited to the following questions:

1. Whether the governing board acted without or in excess of its jurisdiction.

2. Whether there was a fair hearing before the governing board.

3. Whether there was a prejudicial abuse of discretion in the hearing.

4. Whether there is relevant and material evidence which, in the exercise of reasonable diligence, could not have been produced or which was improperly excluded at the hearing before the governing board.

(b) As used in this section, a proceeding without or in excess of jurisdiction includes, but is not limited to, a situation where an expulsion hearing is not commenced within the time periods prescribed by this article, a situation where an expulsion order is not based upon the acts enumerated in Section 48900, or a situation involving acts not related to school activity or attendance.

(c) For purposes of this section, an abuse of discretion is established in any of the following situations:

1. If school officials have not met the procedural requirements of this article.

2. If the decision to expel a pupil is not supported by the findings prescribed by Section 48915.

3. If the findings are not supported by the evidence.

A county board of education may not reverse the decision of a governing board to expel a pupil based upon a finding of an abuse of discretion unless the county board of education also determines that the abuse of discretion was prejudicial.

48923. The decision of the county board shall be limited as follows:

(a) If the county board finds that relevant and material evidence exists which, in the exercise of reasonable diligence, could not have been produced or which was improperly excluded at the hearing before the governing board, it may do either of the following:

1. Remand the matter to the governing board for reconsideration and may in addition order the pupil reinstated pending the reconsideration.
(2) Grant a hearing de novo upon reasonable notice thereof to the pupil and to the governing board. The hearing shall be conducted in conformance with the rules and regulations adopted by the county board under Section 48919.

(b) If the county board determines that the decision of the governing board is not supported by the findings required to be made by Section 48915, but evidence supporting the required findings exists in the record of the proceedings, the county board shall remand the matter to the governing board for adoption of the required findings. This remand for the adoption and inclusion of the required findings shall not result in an additional hearing pursuant to Section 48918, except that final action to expel the pupil based on the revised findings of fact shall meet all requirements of subdivisions (j) and (k) of Section 48918.

(c) In all other cases, the county board shall enter an order either affirming or reversing the decision of the governing board. In any case in which the county board enters a decision reversing the local board, the county board may direct the local board to expunge the record of the pupil and the records of the district of any references to the expulsion action and the expulsion shall be deemed not to have occurred.

48924. The decision of the county board of education shall be final and binding upon the pupil and upon the governing board of the school district. The pupil and the governing board shall be notified of the final order of the county board, in writing, either by personal service or by certified mail. The order shall become final when rendered.

48925. As used in this article:

(a) "Day" means a calendar day unless otherwise specifically provided.

(b) "Expulsion" means removal of a pupil from (1) the immediate supervision and control, or (2) the general supervision, of school personnel, as those terms are used in Section 46300.

(c) "Schoolday" means a day upon which the schools of the district are in session or weekdays during the summer recess.

2. Referral to a certificated employee designated by the principal to advise pupils.

3. Removal from the class, but without reassignment to another class or program, for the remainder of the class period without sending the pupil to the principal or the principal's designee as provided in Section 48910. Removal from a particular class shall not occur more than once every five schooldays.

(e) "Pupil" includes a pupil's parent or guardian or legal counsel.

48926. Each county superintendent of schools in counties that operate community schools pursuant to Section 1980, in conjunction with superintendents of the school districts within the county, shall develop a plan for providing education services to all expelled pupils in that county. The plan shall be adopted by the governing board of each school district within the county and by the county board of education.

The plan shall enumerate existing educational alternatives for expelled pupils, identify gaps in educational services to expelled pupils, and strategies for filling those service gaps. The plan shall also identify alternative placements for pupils who are expelled and placed in district community day school programs, but who fail to meet the terms and conditions of their rehabilitation plan or who pose a danger to other district pupils, as determined by the governing board.

Each county superintendent of schools, in conjunction with the superintendents of the school districts, shall submit to the Superintendent of Public Instruction the county plan for providing educational services to all expelled pupils in the county no later than June 30, 1997, and shall submit a triennial update to the plan to the Superintendent of Public Instruction, including the outcome data pursuant to Section 48916.1, on June 30th thereafter.
