

SCHOOL PLANS/SITE COUNCIL

The governing board believes that comprehensive planning that is aligned with the office's local control and accountability plan (LCAP) is necessary at each school in order to focus school improvement efforts on student academic achievement and facilitate the effective use of available resources. The Superintendent or designee shall ensure that school plans provide clear direction and identify cohesive strategies aligned with school and district goals.

Each school that participates in one or more state and/or federal categorical programs funded through the state's consolidated application process pursuant to Education Code 64000 shall establish a school site council In accordance with Education Code 65000-65001. The school site council shall develop, approve, and annually review and update a school plan for student achievement (SPSA) which consolidates the plans required for those categorical programs into a single plan, unless otherwise prohibited by law. (Education Code 64001)

The Superintendent or designee shall review each school's SPSA to ensure that it meets the content requirements for all programs included, is based on an analysis of current practices and student academic performance, and reasonably links improvement strategies to identified needs of the school and its students. They shall also ensure that specific actions included in the district's LCAP are consistent with the strategies identified in each school's SPSA.

The Board shall, at a regularly scheduled Board meeting, review and approve each school's SPSA whenever there are material revisions affecting the academic programs for students participating in the categorical programs addressed in the SPSA. (Education Code 64001)

If the Board does not approve a school's SPSA, it shall communicate its specific reasons for disapproval of the plan to the school site council. The school site council shall then revise and resubmit the SPSA to the Board for its approval. (Education Code 64001)

The Superintendent or designee shall ensure that school administrators and school site council members receive training on the roles and responsibilities of the site council.

Any complaint alleging noncompliance with requirements related to the establishment of school site councils or the development of the SPSA may be filed with the district in accordance with the district's uniform complaint procedures pursuant to 5 CCR 4600-4670 and BP/AR 1312.4 - Uniform Complaint Procedures.
