

PRINTING AND PUBLISHING MATERIALS

Printing, publishing and disseminating materials shall be done in support or management of the educational process for the benefit of students in the schools (K-14) of Humboldt and Del Norte Counties.

Printing/publishing services may be provided for the Office of Education, school districts and other governmental entities. Nonprofit groups or associations may print or publish materials through the Office of Education when the materials are to be used for the benefit of students and schools.

The cost of materials, publication and distribution shall be borne by the Office of Education, school district, governmental entity or other nonprofit education group or association responsible for generating the material/s involved.
