

GIFTS TO COUNTY OFFICE OF EDUCATION PERSONNEL

Office of Education personnel shall not accept gifts from students, parents or members of the general public in recognition of duties performed pursuant to employment.

Nothing in this policy shall prevent Office of Education personnel from accepting plaques and other awards from professional education associations or community organizations in recognition of professional excellence.

The Board of Education may accept on behalf of, and in the name of, the Office of Education, such gifts, donations, bequests and devices as are made to the Office of Education or for the benefit of any school or department administered by the Superintendent. Such gifts, donations, bequests and devices may be made subject to such conditions or restrictions as the Board of Education may prescribe.
