

RELATIONS BETWEEN OTHER GOVERNMENTAL AGENCIES AND THE SCHOOLS

Cooperative relationships will be maintained with governmental agencies established to provide for the welfare, health and safety of all citizens including the students in our schools.

The Office of Education may enter into agreements with other agencies which involve the exchange of funds or reciprocal services.

Elections

The Board of Education and Superintendent authorizes the use of school buildings for polling places when specifically requested to do so by the city or county elections official. The site administrator shall provide an adequate space to be used for a polling place. A reasonable effort shall be made to ensure that the space is accessible to disabled persons.

The Superintendent/designee shall make a telephone line for Internet access available for use by elections officials if so requested.

To encourage students to participate in the elections process when they are eligible to vote, the Superintendent/designee may distribute to Office of Education students voter registration forms provided by the Secretary of State. The forms may be distributed at the start of the school year, with orientation materials, at central locations, or with graduation materials.
