Employee Safety

The Superintendent believes that safety is every employee's responsibility. The Superintendent expects all employees to use safe work practices and to report and correct any unsafe conditions which may occur. Supervisors shall constantly promote safety and correct any unsafe work practice through education, training and enforcement.

No employees shall be required to work under unsafe or hazardous conditions or to perform tasks which endanger their health, safety or well-being. Working conditions and equipment shall be maintained in compliance with standards prescribed by federal, state, and local laws and regulations.

The Superintendent or designee shall establish a written Injury and Illness Prevention Program in accordance with law. The program shall include training in safe and healthful work practices for all employees.

The Superintendent or designee shall provide eye protective devices as specified in law.

No employee shall be discharged or discriminated against for making complaints, instituting proceedings or testifying with regard to employee safety or health, or for participating in any occupational health and safety committee established pursuant to Labor Code 6401.7.
