

Title I Programs

The County Superintendent of Schools and Governing Board desire to provide a high-quality education that enables all students to meet challenging state academic standards. HCOE shall use Title I funds to provide services that strengthen the academic program and provide support to students at risk of failing to achieve academic standards.

Title I funds shall be used to supplement, not supplant, funds available from state and local sources for the education of students participating in Title I programs.

Descriptions of how the district will address the required components of the Title I local educational agency plan, as specified in 20 USC 6312, shall be included within HCOE's Court & Community Program local control and accountability plan (LCAP), the LCAP Federal Addendum, or another document. School-level strategies shall be aligned with the HCOE's plan and be tailored to the specific needs of the students.

In addition, HCOE shall develop a written parent/guardian and family engagement policy in accordance with 20 USC 6318.

The County Superintendent of Schools or Designee shall regularly monitor the progress of economically disadvantaged and low-achieving students in Title I schools. During the annual evaluation of the HCOE's progress toward achieving each goal identified in the LCAP or other planning document addressing 20 USC 6312, review disaggregated data on academic achievement, school attendance, and other outcomes for such students and shall ensure that strategies are revised as necessary to support continuous improvement.
