

Summer School

The Board of Education recognizes that summer school provides valuable opportunities for students to improve their skills and make academic progress. When the need is demonstrated and funds are available, the Superintendent or designee, with Board approval, shall establish summer school classes for purposes of remediation, enrichment, and/or acceleration.

The summer school program may be used to provide supplemental instruction for students failing to meet academic requirements and/or students who desire enrichment in core academic subjects in accordance with law and Board policy.
