

CODE OF ETHICS

This code of ethics expresses the personal ideals which the Board of Education believes should guide each Board member's activities.

In all actions as a Board member, the member's first commitment is to the well-being of our youth. His/her primary responsibility is to every student in the Office of Education schools and programs.

Board members also have other major commitments to:

- The Community. Each Board member is responsible to all residents of Humboldt County and not solely to those who elected him/her; nor solely to any organization to which he/she may belong, or which may have supported his/her election.
- Individuals. Each Board member has a direct concern for every individual in the community. As an integral part of his/her duties, he/she represents the authority and responsibility of government. This authority must be exercised with as much care and concern for the least influential as for the most influential member of the community.
- Employees. The Board member's actions may affect the capability of Office of Education employees to practice their trade or profession and should encourage their increasing competence and professional growth.
- Laws, Policies. Each Board member must be aware of, and comply with, the constitutions of State and Nation, the Education Code of the State of California, other laws pertaining to public education, and the established policies of the Office of Education.
- Decisionmaking. Each Board member is obliged by law to participate in decisions within the Board of Education's authority pertaining to the Office of Education. As an elected representative of the people, the Board member can neither relinquish nor delegate this responsibility to any other individual or group.
- Individual Feelings and Philosophy. Every individual Board member has something to contribute to society.

Understanding and acting upon the foregoing premises, each Board member shall:

- Consider his/her position on the Board as a public trust and not use it for private advantage or personal gain.

- Be constantly aware that he/she has no legal authority except when acting as a member of the Board. Board members shall present their concerns and concepts through the process of Board debate. If in the minority of any decision, they shall abide by and support the majority decision. When in the majority, they shall respect divergent opinions.
- Encourage ideas and opinions from the residents of Humboldt County and endeavor to incorporate community views into the deliberations and decisions of the Board.
- Devote sufficient time, thought, and study to proposed actions so as to be able to base decisions upon all available facts and vote in accordance with honest convictions, unswayed by partisan bias of any kind.
- Remember that the basic function of the Board is to establish the policies by which Office of Education is administered.
- Promote and participate actively in a concerted program of timely exchange of information with county residents, including parents, school district and Office of Education employees and students.
- Recognize that the deliberations of the Board in closed session may be released or discussed in public only with Board approval.
- Make use of opportunities to enlarge his/her potential as a Board member through participation in educational conferences, workshops and training sessions made available by local, state and national agencies.
