

HELP BUILD OUR FUTURE

Do you have trades industry experience and are interested in becoming a CTE teacher?

Humboldt County Office of Education is seeking individuals in the trades industry who have field experience and want to move into education.

Classes and Interests might include: Woodshop, Autoshop, Metal Shop, Building and Construction Trades, Manufacturing & Product Development.

Humboldt County Office of Education is offering an opportunity to grow in teaching career technical education and learn the teaching profession while working with a mentor and local high school students.

Selected candidate will be responsible for enrolling in a teacher preparation program.
