

Summary of North Coast Cal-SOAP

North Coast California Student Opportunity Access Program (Cal-SOAP) seeks to increase the college preparation skills of underrepresented students in Humboldt and Del Norte Counties by providing support, services, resources, and opportunities to middle and high school students in order to increase financial aid awareness, FAFSA/CADAA completion, and post-secondary participation and success.

College Success Program for High School Students

Cal-SOAP Success Coaches are placed at high schools and work with school counselors to help increase FAFSA/CADAA completion and college-going rates in students. They serve as advisors, assist with events, promote a school-wide college-going culture, and support students and their families in the financial aid & college application processes.
