I. INTRODUCTION

A. THE LEGAL REQUIREMENTS PERTAINING TO A COUNTY-WIDE PLAN

California Education Code Section 48926 initially required county superintendents, in conjunction with superintendents of the school districts within the county, to develop a plan for providing education services to all expelled students in that county. The plan was to be adopted by the governing board of each school district within the county and by the county board of education and submitted to the State Superintendent of Public Instruction. The same code section requires the county superintendent of schools, in conjunction with district superintendents in the county to update the plan every three years and submit it to the State Superintendent of Public Instruction. The next triennial update to the Countywide Plan for Provision of Educational Services to Expelled Students is due no later than June 30, 2021

EC Section 48926 provides specifically that:

“The plan shall enumerate existing educational alternatives for expelled pupils, identify gaps in educational services to expelled pupils, and strategies for filling those service gaps. The plan shall also identify alternative placements for pupils who are expelled and placed in district community day school programs, but who fail to meet the terms and conditions of their rehabilitation plan or who pose a danger to other district pupils, as determined by the governing board.”

In 2015, the recommended content of the Countywide Plan was amended to address additional, more detailed questions that were raised and supported by the State School Attendance Review Board and the Student Programs and Services Steering Committee of the California County Superintendents Educational Services Association. These questions concern behavioral intervention approaches used to minimize the number of suspensions and expulsions, including a focus on how such practices may impact any disproportionate number of minority students being suspended or expelled.

This legislation additionally directed the Superintendent of Public Education to convene a statewide group to “develop a model and study existing successful county programs and policies for the immediate transfer of educational records, uniform systems for calculating and awarding credits, transition planning, and the immediate enrollment of pupils who are being transferred from juvenile court schools.” The workgroup is directed to conduct its work and submit recommendations to the Legislature by January 1, 2016. Humboldt County school districts are dedicated to reenrolling youth that are temporarily placed in a court school setting.

Three specific areas must be addressed in the plan:

The Countywide Plan requirements and recommendations are described below:

1. The Countywide Plan must list and describe the educational alternatives currently available for expelled students. It is recommended that the plan also describe strategies for improvement during the next three years, including:
 - Any behavioral intervention practices, at the site and district levels, and options used to:
 - Minimize the number of suspensions leading to expulsions
 - Minimize the number of expulsions being ordered
 - Support students returning from expulsions
 - Specific explanation of how those practices relate to any disproportionate representation of minority students in such interventions. For assistance in this area, you may review recent guidance issued by the U.S. Department of Education and Justice on the U.S. Department of Education Web Page at <http://www2.ed.gov/policy/gen/guid/school-discipline>.
2. The Countywide Plan must address gaps in educational services and strategies for filling them. If a 2018 Countywide Plan identified gaps in educational services to expelled pupils, it is recommended the 2021 plan include the following information regarding the implementation of strategies outlined for filling those service gaps:
 - Were the strategies successful or not? Please explain why and how they were or were not successful.
 - Were any additional strategies implemented? If so, explain why and how they were or were not successful.
 - For strategies that were not successful, describe any additional measure(s) or approach taken, and the outcome(s).
3. Identify alternative placements for pupils who are expelled and placed in district community day school programs, but who fail to meet the terms and conditions of their rehabilitation plan or pose a danger to other district pupils, as determined by the governing board.

In addition, under the Local Control Funding Formula (LCFF), county offices of education are required to adopt a Local Control and Accountability Plan (LCAP) for county operated schools and programs which includes goals, actions, and expected measurable outcomes in 10 state priority areas for all pupils and subgroups of pupils identified in *EC* Section 52052. Included among the priorities, a county office LCAP must address how it will coordinate the instruction of expelled students under *EC* Section 48926. Thus, the Countywide Plans will contribute to the information presented in the LCAP and provide a regional perspective on meeting the needs of expelled pupils.

B. THE LAW REGARDING EXPULSION AND THE MAINTENANCE OF AN EDUCATIONAL PROGRAM FOR EXPELLED STUDENTS

Section 48916.1(a) which is referenced in 48926 reads:

"At the time an expulsion of a pupil is ordered, the governing board of the school district shall ensure that an educational program is provided to the pupil who is subject to the expulsion order for the period of the expulsion. Except for pupils expelled pursuant to subdivision (d) of Section 48915, the governing board of a school district is required to implement the provisions of this section only to the extent funds are appropriated for this purpose in the annual Budget Act or other legislation, or both."

II. EXISTING EDUCATIONAL ALTERNATIVES PROVIDED BY THE COUNTY OFFICE OF EDUCATION.

The Humboldt County Office of Education operates several community school sites in those geographic areas of the county where local school districts have requested the availability of such programs and where potential student enrollment would make such programs financially viable. As of the date of this plan, community school sites were operating in Eureka (serving students from the Central Bay area region), Fortuna (serving the Eel River Valley school districts and those from the Ferndale area) and Garberville (serving Southern Humboldt Unified School District).

Community schools are typically staffed with a one teacher/one aide instructional team for approximately every twenty students. Enrollment is most common for students in grades seven through twelve; however, they must meet eligibility criteria. Students are referred for enrollment consideration by the Juvenile Court, the Humboldt County Probation Department, district boards regarding expelled students, and SARB referrals. Enrollment is voluntary upon mutual agreement of the parent/guardian and community school screening team. Each student undergoes an academic assessment at the time of entry and an educational plan is developed to support the student's satisfactory progress toward his/her educational goal. Student goals can include, but are not necessarily limited to: a) a desire to transfer back to the District of Residence at some time in the future; b) high school graduation; c) earning a GED certificate. or d) passage of the California High School Proficiency test once attaining the age of 16 and with parent/guardian consent, or other approved high school equivalency tests. California has approved the use of three high school equivalency tests (**GED®**, **HiSET®**, and **TASC™**) for students 18 years old and older. Failed community school placements will be referred back to the district of residence for reassessment of educational placement and services.

Transportation to/from a county community school is the responsibility of the student and his/her parent/guardian. In most years, supplemental funding has been provided to purchase tickets on the local bus lines. When available, these tickets are given to students meeting attendance requirements, on an as needed and as requested basis. Mileage reimbursement is also an option.

As of April, 2021, of the 142 students enrolled in the county's various community school programs, 6, had been previously expelled by a local school district.

Educational alternatives currently available for Expelled students

What follows is a regional matrix summary of the programs and services available as of April, 2021. An “∅” identifies a gap that is perceived by the local school district and is one that it wishes to explore as a potential addition to its list of options. A “N/A” marking might also be considered a “gap;” however, “N/A” means that the district does not wish to explore this option at this time, that this option is not needed, or that the district could not consider creating such an option because of the small size of the district. A “√” is an option which is currently established within the district. The data was obtained from a survey of many of the local school districts during the survey period of 2018 and/or was updated in 2021.

E. ADDITIONAL CONSIDERATION – DISPROPORTIONATE

REPRESENTATION: In the past review of demographics of students referred to community schools indicated a disproportionate percentage of students were Native American. This may have been an anomaly based on the very small total numbers of students in HCOE Community Schools. (i.e. one student may only count for 15-20% of the total at some locations). These youth also struggle with accessing services off site provided by their local tribal affiliation.

Best practices utilized by Districts to minimize disproportionate representation in suspension and expulsion include:

- Trauma Informed Best practices
- Cultural Sensitivity Training
- Responsive classroom model
- Referral to Parent Project
- Offer referrals for students to AOD counseling, MH services
- Restorative Practices
- Individualized Positive incentives
- Alternatives to suspension
- Culturally relevant teaching Professional Development
- Community Building strategies
- Restorative Circles
- Morning meetings
- Implicit bias training

V. ALTERNATIVE PLACEMENTS FOR STUDENTS WHO ARE EXPELLED AND PLACED IN A DISTRICT OPERATED COMMUNITY DAY SCHOOL BUT WHO FAIL TO MEET THE TERMS AND CONDITIONS OF THEIR REHABILITATION PLAN OR WHO ARE CONSIDERED A DANGER TO OTHER DISTRICT PUPILS.

The option for these students is enrollment in a county-operated community school, a charter school, or a private school. Community School programs continue to identify barriers to successful re-entry into the District of Residence (DOR) and refer to or bring in appropriate services. If students return to their DOR from a County run community school setting, and are not successful, district administrators contact the Community school principal for referral.

VI. BEST PRACTICES, AT THE SITE AND DISTRICT LEVELS, OF BEHAVIORAL INTERVENTION APPROACHES AND OPTIONS USED TO MINIMIZE THE NUMBER OF SUSPENSIONS LEADING TO EXPULSIONS, OR EXPULSIONS BEING ORDERED, AND TO SUPPORT STUDENTS RETURNING FROM EXPULSIONS.

A binder of information (“Humboldt County Office of Education Suspension/Expulsion Procedures for School Site Administrators”) has been distributed to every Superintendent and Principal, annually, to establish uniform vocabulary and forms and procedures across the county. This resource is currently developed and distributed by School and College Legal Services and districts are also provided an opportunity for training on the contents as well as any changes or updates to Education code regarding suspensions and expulsions for all youth.

At the site and district levels, best practices were submitted and compiled. Common throughout the best practices is that **clear expectations** for students and support from parents regarding acceptable and non-acceptable school behavior is a key component of an effective plan. Other common practices include:

1. Ongoing communication with, and involvement of, parents
2. In-house “reflection” rather than off campus suspension
3. Character education
4. Student and parent signed behavior agreements at the beginning of the school year which clearly spell out consequences for specific behaviors
5. Positive administrator relationships developed with each student before discipline is needed
6. Employ a PPS-certified, LCSE school social worker
7. Weekly conflict meetings including AVID, GRIP and law enforcement
8. Positive Behavioral Interventions and Supports
9. Utilizing School Resource Officer in collaboration with Eureka Police Department
10. Professional Development for all staff in bullying prevention, cultural awareness and inclusion
11. Weekly communications class focusing on topics such as conflict resolution skills which teach students to manage their own behavior
12. Second step conflict management
13. Crisis Prevention Intervention for staff
14. Student study team meetings
15. Implementation of Second Step for grades K-2
16. Trauma Informed Best practices
17. Cultural Sensitivity Training
18. Responsive classroom model
19. Referral to Parent Project
20. Offer referrals for students to AOD counseling, MH services
21. Restorative Practices
22. Individualized Positive incentives
23. Alternatives to suspension
24. Culturally relevant teaching Professional Development
25. Community Building strategies
26. Restorative Circles
27. Morning meetings
28. Implicit bias training

VII. PROCESS AND TIMELINE FOR REVISION OF THE JOINT EDUCATIONAL SERVICES PLAN

This plan is required by law to be updated during the period of January 2021 through June 2021, and is to be re-submitted at that time to the State Superintendent of Public Instruction.

Representatives of the Humboldt County Office of Education solicited input on the development of the 2021 plan from all local school districts. An analysis of district needs and recommendations were collected from district administrators at county-wide zoom meetings as well as in one-to-one conversations with administrators who serve expelled youth. Written communication requesting feedback on services was also sent to all districts. This information was gathered and tabulated and resulted in the summary of progress made on the gaps identified in 2018, as well as the gaps identified for 2021. (See pages 10-14.) Specific feedback from the districts can be seen in the regional charts, Matrix of Services/Programs for Expelled Youth 2018. (See pages 7-9.)

Those persons responsible for updating the plan include the Humboldt County Office of Education Superintendent's designated representative, the Community School Principal, the Director who provides oversight for this program and School and College Legal Services. Collaborative meetings took place between fall 2020 and spring 2021 with local school district superintendents and charter school directors. The plan was presented to the Humboldt County Board of Education on July 14, 2021. Copies of the plan and all materials contained in the appendix will be distributed to all districts and charters in Humboldt County.

This document represents the official revised 2021-2024 countywide Joint Education Services Plan for Expelled Students in Humboldt County. It was reviewed and updated through a collaborative process between the 32 districts in Humboldt County and the Humboldt County Office of Education.

1981.

The county board of education may enroll pupils in a county community school who are any of the following:

(a) Expelled from a school district for any reason other than those specified in subdivision (a) or (c) of Section 48915.

(b) (1) Referred to a county community school by a school district as a result of the recommendation by a school attendance review board. A pupil shall not be referred to a county community school by a school district pursuant to this subdivision unless the school district and the county office of education determine all of the following:

(A) The county community school has space available to enroll the pupil.

(B) The county community school meets the educational needs of the pupil.

(C) (i) The parent, guardian, or responsible adult of the pupil has not expressly objected to the referral based on one or more of the following reasons:

(I) Reasonable concerns related to the pupil's safety.

(II) Geographic accessibility.

(III) Inability to transport.

(IV) The school does not meet the pupil's educational needs.

(ii) The school district may require the objection to be in writing if it has advised the parent, guardian, or responsible adult that they may object, in writing, for one of these reasons.

(2) If the county community school recommended pursuant to paragraph (1) is not geographically accessible to the pupil, the school attendance review board shall also include in its recommendation a school option for the pupil that is geographically accessible to the pupil and meets the criteria specified in paragraph (1).

(3) If the parent, guardian, or responsible adult of the pupil objects for any of the reasons described in sub clauses (I) to (IV), inclusive, of clause (i) of subparagraph (C) of paragraph (1), the school district may either address the express objection or find an alternative placement in another comprehensive or continuation school within the school district. If the school district has offered the pupil all other options, the school district may refer the pupil to the county community school.

(4) The pupil has the right to return to his or her prior school or another appropriate school within his or her school district at the end of the semester following the semester when the acts leading to referral occurred. The right to return shall continue until the end of the pupil's 18th year of age, except that a pupil with exceptional needs, consistent with Section 56041 of this code and Section 1412(a)(1)(A) of Title 20 of the United States Code, shall have the right to return until he or she turns 22 years of age.

(c) (1) (A) On probation, with or without the supervision of a probation officer and consistent with an order of a juvenile court, who are considered to be wards of the court under Sections 601 and 602 of the Welfare and Institutions Code and ordered placed pursuant to Sections 725, 729.2, and 791 of, and paragraph (2) of subdivision (a) of Section 727 of, the Welfare and Institutions Code.

(B) Under the supervision of a probation officer, with the consent of the minor and the minor's parent or guardian, pursuant to Section 654 of the Welfare and Institutions Code.

(C) Under the supervision of a probation officer pursuant to Section 726 and paragraph (3) of subdivision (a) of Section 727 of the Welfare and Institutions Code with the consent of the pupil's parent, guardian, or responsible adult appointed by the juvenile court to make educational decisions for the pupil. The enrollment of a minor covered by this paragraph in a county community school shall be consistent with paragraph (2) of subdivision (c) of Section 726 of the Welfare and Institutions Code, which provides that all educational and school placement decisions shall seek to ensure that the youth is in the least restrictive educational program, has access to the academic resources, services, and extracurricular and enrichment activities that are available to all pupils, and are based on the best interests of the child.

(D) Unless specifically ordered by a juvenile court, nothing in this subdivision shall be construed to conflict with the existing rights of a parent, guardian, or responsible adult appointed by the juvenile court pursuant to Section 726 of the Welfare and Institutions Code to make educational placement decisions for the minor.

(E) With respect to a pupil's enrollment in a county community school pursuant to subparagraph (B) or (C), and consistent with paragraph (2) of subdivision (c) of Section 726 of the Welfare and Institutions Code and California Rule of Court 5.651, all of the following shall apply:

(i) The attorney for, or the person holding the educational rights of, a pupil who is under the jurisdiction of the delinquency court may use the procedures set forth in California Rule of Court 5.651 to address any change of placement that results in the enrollment of the pupil in a county community school that is not his or her school of origin.

(ii) The attorney or the person holding the educational rights appointed by the court for a pupil who is under the jurisdiction of the delinquency court may, during a regularly scheduled hearing, raise any concerns with respect to whether the enrollment of the pupil in a county community school is meeting the educational needs of the pupil.

(iii) Nothing in this subparagraph is intended to limit in any way the rights or responsibilities of any person as set forth in paragraph (2) of subdivision (c) of Section 726 of the Welfare and Institutions Code and California Rule of Court 5.651.

(2) On probation or parole and not in attendance at any school, where enrollment is with the consent of the parent, guardian, or responsible adult, or the pupil, if he or she is 18 years of age or older. Nothing in this subdivision shall impact the provision of services or funding for youth up to 25 years of age pursuant to subdivision (b) of Section 1982, as that section read on September 25, 2013.

(3) Expelled for any of the reasons specified in subdivision (a) or (c) of Section 48915.

(4) Enrollment in a county community school pursuant to this subdivision shall be consistent with subdivision (b) of Section 48645.5.

(d) Pupils whose school districts of attendance, or, for pupils who do not have school districts of attendance, school districts of residence, have, at the request of the pupil's parent, guardian, or responsible adult, approved the pupil's enrollment in a county community school, subject to the following:

(1) A pupil shall not be enrolled in a county community school pursuant to this subdivision unless the school district determines that the placement will promote the educational interests of the pupil and the county community school has space available to enroll the pupil.

(2) A parent, guardian, or responsible adult of a pupil enrolled in a county community school pursuant to this subdivision may rescind the request for the placement, and the pupil shall be immediately reenrolled in the school that the pupil attended at the time of the referral, or, with the consent of the parent, guardian, or responsible adult, another appropriate school.

(e) The procedures outlined in subdivisions (b) to (e), inclusive, of Section 51225.2 govern the transfer of credits, records, including special education records, and grades required pursuant to subdivision (a) of Section 48645.5 and Section 49068 when the pupil transfers to and from the county community school.

(f) For purposes of this section, “geographically accessible” means that the pupil can reasonably travel to and from the school and is able to pay for any transportation costs that are above and beyond the costs to attend his or her school of residence or prior school, whichever is farther away.

(Amended by Stats. 2014, Ch. 837, Sec. 1. Effective January 1, 2015.)

1981.5.

(a) A pupil who is involuntarily enrolled in a county community school pursuant to subdivision (a) of, or subparagraph (A) of paragraph (1) or paragraph (3) of subdivision (c) of, Section 1981 shall have the right to reenroll in his or her former school or another comprehensive school immediately after being readmitted from the expulsion order pursuant to Section 48916 or court-ordered placement. Nothing in this section is intended to limit the school placement options that a school district may recommend for a pupil being readmitted.

(b) Consistent with the process and procedures set forth in Section 48916, only the governing board of the school district that issued the initial order or subsequent order to expel may extend the duration of an expelled pupil’s placement in a county community school.

(Added by Stats. 2014, Ch. 837, Sec. 3. Effective January 1, 2015.)

1983.

(a) Pupils enrolled in county community schools shall be assigned to classes or programs deemed most appropriate for reinforcing or reestablishing educational development.

(b) These classes or programs may include, but need not be limited to, basic educational skill development, on-the-job training, school credit recovery assistance, tutorial assistance, and individual guidance activities.

(c) To the extent that independent study is determined to satisfy the individually planned educational program described in subdivision (d) for a pupil attending a county community school, it shall meet all the requirements of Article 5.5 (commencing with Section 51745) of Chapter 5 of Part 28 of Division 4 of Title 2, including the requirement that entry into that program is voluntary.

(d) An individually planned educational program based upon an educational assessment shall be prescribed for each pupil.

(e) The course of study of a county community school shall be adopted by the county board of education and shall enable each pupil to continue academic work leading to the completion of a regular high school program.

(f) Pursuant to Part 30 (commencing with Section 56000) of Division 4 of Title 2, Chapter 33 (commencing with Section 1400) of Title 20 of the United States Code, and accompanying state and federal regulatory provisions, county boards of education operating county community schools shall

ensure that assessments are administered in all areas of suspected disability and appropriate services and programs, as specified in a pupil's individualized education program, are provided.

(g) County boards of education operating county community schools shall ensure that appropriate services and programs designed to address the language needs of pupils identified as English learners are provided in compliance with all applicable state and federal laws and regulatory provisions.

(h) For purposes of this section, "school credit recovery assistance" refers to a pupil passing, and receiving credit for, a course that the pupil previously attempted, but for which the pupil was unsuccessful in earning academic credit towards graduation. The pupil can recover the credit by satisfying requirements for the course in which they were unsuccessful and can focus on earning credit based on competency in the content standards for that particular course. Credit recovery programs aim to help schools graduate more pupils by giving pupils who have fallen behind the chance to recover credits through a multitude of different strategies. Different programs allow pupils to work on their credit recovery classes over the summer, on school breaks, after school, on weekends, at home on their own, at night in school computer labs, online, or even during the school day.

(Amended by Stats. 2014, Ch. 837, Sec. 4. Effective January 1, 2015; Stats. 2019, c. 451 (A.B.1097), § 1, eff. Jan. 1, 2020.)

APPENDIX C:
DISCIPLINE OF SPECIAL EDUCATION PUPILS¹
(from School & College Legal Services Pupil Discipline Guide)

A. If the Disciplinary Action will Result in a “Change in Placement,” an Individualized Education Plan (“IEP”) Team Meeting /Manifestation Determination (“MD”) is Required within 10 School Days and Educational Services Must Begin on the 11th Day.²

1. Expulsion is a “change in placement”.
2. Suspension more than 10 days is a “change in placement”: A change in placement occurs if:
 - a. Pupil is “removed”³ more than 10 consecutive days or
 - b. A series of “removals” cumulate to more than 10 school days in a school year constitute a pattern because they are based on “substantially similarly” behaviors and additional factors (e.g., length of each removal, total time removed, and proximity of removals to one another).
3. Suspensions 10 days or less = No change in placement. General education disciplinary rules apply. No IEP meeting or MD required, but it is a good practice to conduct a “Functional Behavior Assessment” (FBA)/ develop-review “Behavior Intervention Plan” (BIP) especially if student is approaching 10 days of suspension.
4. Other Suspensions: A “removal” occurs when pupils cannot progress in the regular education curriculum, receive their services, progress on goals listed on their IEP or participate with non-disabled peers to the extent specified in their IEP.
 - a. In-School Suspensions (“ISS”) to a supervised classroom are authorized under Ed. Code § 48911.1 if the pupil poses no imminent danger or threat to the campus, pupils or staff, or if an action to expel has not been initiated. (See Section II.E.2) For special education students, use of ISS should be part of the pupil’s Behavior Intervention Plan.
 - b. Bus Suspension: If transportation is provided under the IEP, a “bus

¹ For the most part, the same procedural protections apply to students who qualify for services under Section 504 of the 1973 Rehabilitation Act as apply to students who qualify for services under the Individuals with Disabilities Education Act.

² Beginning on the 11th day of removal, pupils have a right to receive the educational services (FAPE) to enable them “to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals” in the pupil’s IEP. (34 C.F.R. 300.530(d).) A discussion of such services should take place at the IEP meeting/manifestation determination. (See IV.B., below.) If parents disagree with services, parent may seek expedited special education due process hearing.

³ 34 C.F.R. 300.536 – Definition of Removal.

suspension” is a suspension (removal) unless alternative transportation is provided. (34 C.F.R. 300.530.) Alternative transportation at no cost to the parent must be provided if transportation is provided under the IEP. (Ed. Code § 48915.5.)

5. Notice: On the date that the determination is made to make a removal that constitutes a “change in placement,” notify the parent/guardian of decision and include a notice a procedural safeguards. (34 CFR 300.530(h).) [FORMS – “B”, “C”, “C-1” or “C-2”, “D”, “F-1” or “F-3”, or “F-5”]

B. IEP Meeting / Manifestation Determination(“MD”)

1. Manifestation Determination: Within 10 school days of any decision to make a change in placement, the modified IEP team (i.e., relevant members of team as determined by parents and district), must meet to determine, based on a review of “all relevant information” in the pupil’s file, teacher observations and relevant information provided by the parent:
 - a. *Whether the conduct in question was caused by, or had a direct and substantial relationship to, the child’s disability; or*
 - b. *Whether the conduct in question was the direct result of a failure to implement the IEP.* (34 C.F.R. 300.530(e).)

If the pupil is a **foster child**, as defined in Section 48853.5, and the expulsion recommendation is based only on Class I and/or Class II offenses, the superintendent or designee shall also notify the student’s attorney and an appropriate representative of the county child welfare agency of the manifestation determination meeting. The invitation notice may be made by the most cost-effective method which may include electronic mail or telephone call. (Ed. Code § 48915.5(d).) **See Attachment 1 – Additional Notice Requirements**

If the pupil is a **homeless child**, as defined in Section 48850(d), and the expulsion recommendation is based only on Class I and/or Class II offenses, the superintendent or designee shall also notify the district’s liaison for homeless and youth of the manifestation determination meeting. The invitation notice may be made by the most cost-effective method which may include electronic mail or telephone call. (Ed. Code § 48915.5(e).) **See Attachment 1 – Additional Notice Requirements**

2. If conduct was a manifestation of the pupil’s disability, no disciplinary action.
 - a. Conduct a Functional Behavior Assessment (“FBA”), unless district conducted an FBA before the occurrence of the behavior that resulted in the change in placement, and develop a new Behavior Intervention Plan (“BIP”) or review the existing BIP and modify if necessary.
 - b. Except under “special circumstances,” return pupil to last

mutually agreed upon placement unless IEP team agrees to a different placement.⁴

- c. If any of the following “special circumstances” exist, pupil may be removed for up to 45 school days to an interim alternative educational setting:
 - i. Pupil carries / possesses a “weapon” to or at school, on school premises or at school functions;⁵
 - ii. Pupil knowingly possesses or uses illegal drugs, or sells or solicits the sale of controlled substances at school, on school premises, or at school functions;
 - iii. Pupil inflicts “serious bodily injury”⁶ while at school, on school premises or at a school function. (34 CFR 300.530(g).)
3. If conduct **was not** a manifestation of the pupil’s disability, disciplinary action may proceed. [FORM – “F-1” or “F-3” or “F-5”]
 - a. Pupils who are suspended for more than 10 cumulative school days in a school year **or** who have been referred for expulsion, must continue to receive FAPE to enable them to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting their IEP goals.
 - b. The pupil’s IEP team should discuss what services, e.g., SAI, counselling, LAS, the pupil will receive in the interim alternative setting in order for the pupil to receive FAPE.
 - c. The pupil’s IEP team should also discuss if an FBA is warranted and/or develop/review the BIP.
 - d. An interim alternative setting may include instruction in the pupil’s home, at the district office or other school site, community day school, etc.
 - e. If parents disagree with the district’s offer of interim educational services, they may request an expedited due process hearing.

C. Statutory Protections for Pupils Not Yet Identified as Eligible for Special Education

1. Basis of Knowledge: A pupil not yet identified as eligible for special education may assert statutory protections of a special education student if district had a basis for “knowledge” of a pupil’s disability *before* the behavior precipitating disciplinary action occurred.

⁴ If pupil’s placement is “substantially likely to result in injury” to the pupil or others, the District may seek an expedited special education due process hearing which must take place within 20 school days.

⁵ Any “weapon, device, instrument, material, or substance, animate or inanimate, that is readily used for, or is capable of, causing death or serious bodily injury...” Weapon does not include a pocket knife with a blade of less than 2.5 inches in length. (18 USC 930(g)(2).)

⁶ “Serious bodily injury” means substantial risk of death, extreme physical pain, protracted/obvious disfigurement, or protracted loss or impairment of function of bodily member, organ, or mental faculty. (18 USC 1365(h)(3).)

2. District is deemed to have knowledge of a disability if *before* the behavior occurred:
 - a. In writing parent expressed concern to supervisors/teachers that student needs special education/related services;
 - b. Parent requested a special education evaluation; or
 - c. Teacher or other district personnel expressed specific concerns about a “pattern of behavior” to the special education director or other supervisory personnel. (34 CFR 300.534(b).)

3. Exceptions to deemed knowledge:
 - a. Parent has not allowed an evaluation;
 - b. Parent has refused services; and
 - c. Pupil has been evaluated and determined not eligible. (34 CFR 300.534(c).)

4. If no “Basis of Knowledge” exists, pupil may be subjected to disciplinary action in accordance with laws applicable to general education pupils.

5. If “Basis of Knowledge” exists, proceed with evaluation, development of IEP and provide services in accordance with usual IEP process. Do not proceed with disciplinary action.

6. Parent requests for evaluation while disciplinary action is pending. If district did not have basis of knowledge at time of request, district:
 - a. May stop disciplinary action, but not required.
 - b. Complete an “expedited” special education evaluation.
Note: “Expedited” is not defined, but best practice is within 30 days from the parent’s request for evaluation.
 - c. Upon completion of evaluation, notice and convene IEP meeting to determine eligibility.
 - i. If eligible, develop IEP and provide services. **May continue with discipline, but proceed with caution.**
 - ii. If not eligible, parent may seek special education due process hearing to dispute eligibility determination. Discipline process may proceed.
 - d. During evaluation, pupil to remain in placement determined by district (which may be suspension/expulsion without services). (34 CFR 300.534(d).)

APPENDIX E: COMMUNITY SCHOOL REFERRAL INSTRUCTIONS

{Date}

Dear District Administrator;

This memo is intended to help and clarify the process for your school or district to complete your referral to Community School.

- We can usually screen complete referrals that we receive before Friday on the following Tuesday. Screening meetings for incoming referrals are held every Tuesday afternoon. This is a meeting for our staff and administrators, not for the students and their parents, to review all incoming referrals.
- Please completely fill out the referral form, including whether or not student has an IEP, 504, or is an English Learner.
- If student has an IEP, the referring school must schedule a Transition IEP meeting and invite one of our resource teachers to attend. This must be done **prior to screening**. We cannot accept a student with an IEP who has not had a meeting with one of our resource teachers present. This allows the parent to be informed about community school and decide if they want their child to attend one of our schools, in addition to allowing our staff to review the appropriateness of placement.
- After we receive the completely filled out referral, we will send you a request for records. This includes sending us a faxed copy of their current transcript, immunization records, and expulsion report (if applicable). Then mail or courier the following records requested:
 - The student's cumulative record, including:
 - SBAC Scores
 - Evidence of TDAP
 - SARB Minutes (if applicable)
 - Special Education File (if applicable)
 - English Learner File & CELDT Scores (if applicable)
 - IEP or 504 (if applicable)
 - Copy of Transition IEP (scheduled with a Community School Representative)

These items **must be received prior to screening**.

- Students must remain enrolled and attend their school of residence until community school informs you of their enrollment. Typical time from referral to enrollment is one week **if** the referral is complete, cumulative file is received, immunizations are current, and prior meetings have been held.

In accordance with law, certain infractions require a board to expel a student while other infractions are optional in this regard. Please see the appendix for a more thorough discussion of the criteria for suspension/expulsion from school.

EXPULSION ORDER: Refers to the specific action of the governing board of a local school district to remove a pupil from attendance. Only a governing board can expel a student under authority described in Education Code section 48918(j).

INDEPENDENT STUDY: Describes an instructional approach wherein an individualized program (plan) of study is created for a student with most of the instruction occurring at home, or in the community, and not under the direct supervision of a credentialed teacher. Many independent study programs require as little as one hour of direct instruction per week with the remaining time in student self-directed study. Independent study programs are optional and, if authorized under local board policy, require parent and student approval before being utilized.

REHABILITATION PLAN: Refers to the required component within any order of expulsion that requires the board to describe a plan for rehabilitation for the expelled pupil. That plan may include, but is not limited to: a) periodic review and assessment at the time of review for readmission; b) recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service and/or other rehabilitation programs; and c) with parent/guardian consent, enrollment in a county-supported drug rehabilitation program if the offense was related to controlled substances as defined in Sections 11054 to 11058, inclusive, of the Health and Safety Code, or alcohol. (Reference Education Code section 48916.5).

SUSPENDED EXPULSION: Refers to an action by the governing board to suspend the enforcement of their order of expulsion under certain conditions. As a condition of the suspension of enforcement, the governing board may assign the student to a school, class, or program that is deemed appropriate for the rehabilitation of the student. During the period of the suspension of the expulsion order, the student is deemed to be on probationary status and must comply with the Rehabilitation Plan assigned to the student by the governing board. A suspended expulsion plan typically requires the student to maintain appropriate behavior and positive attendance/academic progress during what would have been the term of expulsion. The governing board may revoke the suspension of an expulsion order under this section if the student commits any of the acts

enumerated in [Section 48900](#) or violates any of the district's rules and regulations governing pupil conduct. When the governing board revokes the suspension of an expulsion order, a student may be expelled under the terms of the original expulsion order.
