

What are the benefits Students can gain from the Covid-19 vaccine?

No need to quarantine!

If you are exposed to Covid, you won't have to spend time away from sports, extracurriculars, and school unless you have symptoms.

Sports & Clubs

Easily participate in sports and clubs with fewer restrictions.

Get Some Fresh Air

Vaccinated friends can be together outside without masks or social distancing.

Hug Your Family & Friends

You can be with family and friends without having to worry about making them sick.

Be a Hero

Protect your parents, grandparents, and siblings.

Return to Normal

Getting the vaccine is a BIG step toward returning to many of our pre-Covid freedoms.

"I got vaccinated because it is a safe way to protect myself, family, and community while also keeping schools and businesses open and on the road to full recovery," said Dr. Chris Hartley, Humboldt County Superintendent of Schools.
