Negotiable items: are defined by the Rodda Act.

ARTICLE 2 RIGHTS AND DUTIES

Section 1

It is understood and agreed that the Employer retains all of its power and authority to direct, manage and control to the full extent of the law. The exercise of such legal powers, rights, authority, duties and responsibilities by the Employer, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion therewith, shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with law.

Section 2

In the event of an emergency, the Employer may take such reasonable action as is required in dealing with said emergency. An “emergency” shall be a natural disaster, an act of civil strife, or other events rendering normal operations of the Employer substantially impaired.

Section 3

Unit members will be consulted regarding the use of any monies allocated for instructional materials and supplies.

Section 4

Qualified nurses shall be the only unit members to routinely provide and conduct necessary medical procedures (such as clean intermittent catheterization, injections, suction, gavage feeding, and drainage). Unit members, other than qualified school nurses, shall not be requested or required to perform any medical procedure on a student except in case of an emergency. Unit members may be required to attend training on said procedures in order to be prepared to respond in an emergency situation. Such training shall be during the unit member’s duty day or the unit member shall receive compensation for training taken during non-duty time.

Section 5

To the extent that existing law allows, a unit member may discipline a student in his/her class for good cause. The unit member shall refer the student to the immediate supervisor for appropriate action, if necessary.

The immediate supervisor will initiate the appropriate discipline of the student as per the requirements of state law, any existing IEP provisions and school policies.

Section 6

Classroom teachers shall have the right to suspend students and are prohibited from the use of corporal punishment.

Section 7

ARTICLE 3
SALARIES, WORK DAYS AND HOURS

Section 1: Definitions

A. Work Year

1. Unit members covered by this Agreement shall be paid salaries as provided by the Unit Members' Salary Schedules attached to this Agreement as Exhibits 1 & 2.
2. The Unit Members' Salary Schedule 1a and 1b are based on 184 work days for full-time unit members. Unit Members' Salary Schedule 2 is based on 194 days and applies to school psychologists. Effective July 1, 2020, the Unit Members' Salary Schedule 1a and 1b are based on 185 work days for full-time unit members. Unit Members' Salary Schedule 2 is based on 195 days and applies to school psychologists. The annual salary of a unit member who works more or less than the days as above specified shall be increased or decreased by the unit member's daily rate multiplied by the number of days worked more or less than the days above specified.
3. Unit members classified as part-time in their Notices of Employment shall have their daily rates computed pursuant to the appropriate Unit Members' Salary Schedule and prorated for reduced services as determined by the Employer.
4. Each school year, one of the four pre-instruction service work days in August shall be reserved for classroom team preparation activities.

B. Work Day

1. Most full time unit members shall work a 7 hour duty day exclusive of lunch. School psychologists, occupational therapists, and speech therapists shall work an 8 hour duty day exclusive of lunch. Each unit member shall receive a minimum of a thirty (30) minute duty free lunch period located near the mid-point of the duty day.
2. The annual salary of a unit member who works more or less than 7 hours a day, or 8 hours per day for psychologists, as specified above shall be increased or decreased by a pro-ration of the number of hours worked more or less than 7 hours or 8 hours.
3. In those schools which are not under the administrative direction of the Employer, the work schedules of unit members who have a regularly assigned site shall be the same as the site to which they are assigned; the length of the unit members' duty day shall be as provided in B, 1, above. The starting and ending times of employment in the worksites under the administration of the Employer shall fall between 8:00 a.m. and 5:00 p.m. unless mutually agreed upon by the Employer and the unit member prior to commencement of the assignment.
4. Seven hour per day unit members who are assigned to work a regular seven and one half (7 1/2) hour duty day shall receive additional payment equal to 1/14 of their placement on the Unit Members' Salary Schedule as compensation for the additional one-half (1/2) hour.

The 1/14 payment shall be pro-rated according to how many days of the week a unit member is assigned to work the longer day when compared to the number of days worked.

5. The Employer or unit member may request a modification in the unit member's daily work schedule to meet the professional needs of the office. All requests must have the prior written approval of the Employer or designee. Requests that result in additional time worked shall be compensated by a pro-rata pay or equal time off. The unit member may request either pay or time off. The Employer shall make the final decision regarding the type of compensation.
6. Each unit member shall have a reporting site and final work site assigned. Necessary travel from the reporting site and to the final work site shall be duty time.
 - a) With the exception of unit members who have the same day-to-day assigned site, travel time from a unit member's home to the reporting site or the Humboldt County Office of Education, whichever is the least, and from the final work site or the Humboldt County Office of Education to the unit member's home, whichever is the least, shall not be duty time.
 - b) When an itinerant unit member is assigned to serve a school located one hour or more in one-way travel time from the Humboldt County Office of Education or a mutually agreed upon worksite, a lengthened workday shall be arranged in order to reduce the negative effect of "windshield time" on the services needing to be performed. The unit member shall be compensated for each extended workday in a manner mutually agreed upon between the unit member and his/her immediate supervisor. Reimbursement may include trade time, additional hourly pay, or other options approved by the Employer.
7. The duty day for unit members with part-time daily assignments shall be a pro-ration of the 7 hours, or 8 hours for school psychologists.
8. Units of credit as applied on the salary schedule are semester units from an approved college or university. For conversion requirements, one quarter unit equals two-thirds of a semester credit.
9. Unit members shall advance on the Unit Members' Salary Schedule (Exhibits 1 and 2) at the rate of one step for each year of paid service.

Section 2: Initial Placement of New Unit Members

- A. Initial Placement, Reporting and Review Process. The Personnel Department shall place new unit members on the Unit Member Salary Schedule in accordance with the provisions of this section. The Association President or his/her designee shall be notified in writing of all new member placements.

In reviewing the placement decision, the Employer shall consider the recommendations of the committee.

- B. Initial Column Placement. The committee shall review and approve units for consideration of initial column placement. Approval shall not be granted for units that do not relate to the service function of the individual unit member. Units may not be credited more than once for any course except those courses that are taken as a series (for example, courses designated as Education 223(a), 223(b), etc.)

Column placement for unit members shall be determined by applying the one alternative listed below which provides the most favorable column placement for the unit member.

1. Column placement shall be determined by the number of approved semester units earned after the Bachelor's degree;
2. Column placement shall be determined by the number of semester units earned after the first clear credential.

C. Initial Step Placement

1. Unit members shall be allowed one year's experience credit on the salary schedule for each year of full time non-administrative certificated service providing at least 75% of the number of days in which school was in session was served. Beginning in 2016-17, new unit members shall be limited to 12 years previous service credit upon initial placement; thirteen (13) years in 2017-18; fourteen(14) years in 2018-19; and fifteen (15) years in 2019/20. Years in which less than 75% of the days were served cannot be accumulated for purposes of schedule placement.
2. One year's experience credit on the salary schedule shall be granted for each year of professional full time paid work experience in a field of employment directly related to the service function of the unit member. Full time work is defined as a minimum of 1560 hours of paid employment in any 12 month period. For the purposes of schedule placement, hours of experience cannot be accumulated from one twelve month period to another, but may be accumulated within a twelve month period if paid experience was for more than one employer. Previous years of paid employment will be allowed for placement purposes in a similar incremental manner as allowed for certificated service described in C1.
3. Unit members who have both previous non-administrative certificated service and work experience, as described in the subsections above, shall not receive more than a composite total of twelve (12) years of previous service credit for initial placement on the Unit Member's Salary Schedule in 2016-17, thirteen years (13) in 2017-18; fourteen (14) years in 2018-19; and fifteen (15) years in 2019-20.

1. The leave is needed for a reason that the unit member cannot reasonably be expected to disregard; and
2. Which requires the immediate attention of the unit member; and
3. Which cannot be taken care of during off duty hours, on weekends, or on other non-duty days.

Section 15: Catastrophic Leave II (Paid Leave)

- A. Catastrophic Leave is available for the purpose of assisting participating employees to remain longer on paid status during periods of necessary separation from work after all other appropriate sick leave, family leave, industrial accident and illness leave, and Worker’s Compensation benefits have been exhausted. This leave is limited to the terms, conditions and purposes specified herein.
- B. An employee may be eligible to receive Catastrophic Leave benefits for the following reasons:
 1. To recover from an accident or illness to the employee, whether or not it is work related, with certification from a physician that the employee cannot return to work.
 2. To care for a member of the immediate family who is suffering with a life threatening illness when such care cannot reasonably be provided by someone else. (A physician’s statement is required to verify patient’s condition and a reasonable explanation of the need to provide care may be requested before leave is granted.)
- C. Each employee may voluntarily contribute to the Catastrophic Illness Leave bank. Only those who have contributed to the bank are eligible to draw from the bank. Contributions must be renewed annually in order to maintain eligibility except:
 1. If an individual’s sick leave is exhausted and he/she is drawing from the bank, he/she shall not be required to contribute in that year in order to continue to receive benefits.
 2. If an employee, who donated to the bank in the preceding year and was thus eligible to

participate in its benefits, cannot report to work at the beginning of any new school year due to approved medical reasons, the employee shall not be required to donate a day from the new allocation of sick leave in order to be eligible to apply for catastrophic leave benefits after exhaustion of that new sick leave allocation.

- D. The annual rate of contribution by each participating employee for each school year shall be one (1) day of sick leave.
- E. Contributions to the leave bank become the property of the pool, even if not utilized, and can only be withdrawn under the terms and conditions of this Article. A donation to the bank shall not be considered a donation to a specific unit member for his/her exclusive use.
- F. The Employer shall notify new probationary employees of the opportunity to donate at the time of hire. New employees will have 30 days after starting employment with the Employer to donate in order to be eligible to participate in that year. Regular, continuing personnel will have thirty days from the start of each academic year to indicate their participation for that current year.
- G. An individual may qualify for a withdrawal from the bank for a maximum of 40 days.
- H. The leave bank shall be considered self-contained and limited by the employee contributions received and accrued over time. There shall be no catastrophic leave awarded, nor any obligation to provide such leave, when all days in the bank have been exhausted.
- I. In October of each year, participating employees shall receive notice of how many days have been contributed and accrued to the bank and how many days have been used since the last reporting. No confidential personal information will be disclosed, however, in this report to the participants.
- J. In the event the leave bank accrues 160 days, no further annual contributions from ongoing participants will be required in order to sustain their eligibility to draw from the bank. Voluntary deposits to the bank shall not be requested again until a draw from the bank is made and the total days accrued falls below 160. In such event, employees will be requested to re-enroll during the next regular 30-day window period for participation as described above.
 - 1. New members may continue to join even if the accrued amount of days in the bank reaches 160.
 - 2. Continuing regular employees may initiate (or restart) their bank eligibility during the next window period for contributions regardless of the number of days accrued in the bank.
- K. If the Catastrophic Leave Bank is terminated for any reason, the days remaining in the bank shall be returned to the then current participant pool proportionately.
- L. Days contributed toward the bank shall be the same whether or not the unit member is full or

part time. Withdrawals from the bank shall be pro-rated only if the employee serves part time on a daily basis; otherwise, withdrawals shall be in full day increments as they were contributed.

Section 16: General Leaves

A leave of absence may be granted to a unit member on a paid or unpaid basis. Prior to acting upon any request for a general leave, the Employer will confer with the Association to consider the:

1. Impact on students
2. Impact on overall services and programs
3. Financial impact
4. Impact on applicant

Section 17: Continuity of Service

No absence under any paid leave provision of this Article shall be considered as a break in service for any unit member who is in paid status, and all benefits accruing under the provisions of this Agreement shall continue to accrue during such absence.

Unit members who are on an approved leave of absence shall notify the Employer by May 15 whether or not they intend to return from leave for the following school year.

Unit members on approved unpaid leaves may continue to participate in the health and welfare benefits program(s) if the premium(s) are paid by the unit member.

Upon expiration of the leave, the returning unit member's placement shall be in compliance with specified areas of competence as defined by credentials held by the unit member.

ARTICLE 7 EARLY RETIREMENT PROGRAMS

- B. Applicants must have attained the age of 55 but shall not have reached their 65th birthday at the time of entry.

- C. Applicants who desire to seek early retirement shall submit their letter of request prior to March 1 of the school year preceding the effective date of retirement or proposed reduced workload option. If the letter is for full retirement, the letter must specify the effective date of retirement under STRS. If the request is for reduced workload, the employee shall indicate the desired length of participation in the program prior to full retirement under STRS.
- D. Unit members may participate in only one of the early retirement program options described under section 2 of this article.
- E. All unit members are eligible to apply for consideration under the STRS Reduced Workload Program (see Section 3 below) irrespective of their choice for early retirement participation under Section 2 of this article.

Section 2: Early Retirement Options

A. Program Number One: Retirement with Benefits or STRS Golden Handshake.

- 1. Early Retirement Option Number One is available only to unit members employed in a certificated position with the Humboldt County Office of Education as of June 30, 1998, who remained continuously employed thereafter, and who meet all other applicable criteria.
- 2. The Employer shall provide to eligible unit members retiring prior to the age of sixty-five (65) health and welfare benefits as provided active unit members as described in Article 5 of this Agreement according to the qualifications, conditions and imitations described in this section.
- 3. In order to receive full coverage, the retiring unit member must have:
 - a) provided a minimum of ten (10) years continuous full time certificated service with the Employer immediately preceding the date of entry into the program or
 - b) been legally entitled to 1.0 FTE status on the certificated seniority roster for the academic year in which the date of retirement is to take effect and had previously served ten years continuous full time certificated service during his/her employment with the Employer; and
 - c) received full Employer-paid benefits during the 12 calendar months immediately preceding the effective date of the retirement.
- 4. In order to receive prorated coverage, the retiring unit member must have:
 - a) provided the equivalent of ten (10) years continuous full time certificated service with the Humboldt County Office of Education during his/her employment; and

- b) received full or part-time Employer-paid benefits during the 12 calendar months immediately preceding the effective date of the retirement.

The pro-ration of Employer-paid benefits after retirement shall be based on the average annual certificated service rendered HCOE since the employee's first year of regular, non-substitute employment.

- 5. The health and welfare benefits for the retiree shall be for a period of time not to exceed ten (10) years, until the former unit member reaches the age of eligibility for Medicare participation based upon Health Care Financing Administration (HCFA) regulations (irrespective of the member's actual participation), or until death, whichever occurs first.
 - 6. Commencing July 1, 2009, the retiree's monthly contribution to the health and welfare benefit insurance premiums, if any, shall be the same dollar amount as the active employees' portion of the plan elected by the retiree, unless and until a subsequent agreement between the parties to this Agreement is entered into which establishes a different level of contribution.
 - 7. If at any time a retiree is required to make a monthly co-payment of premiums, and if the retiree fails to pay his/her share of premiums by the fifteenth of the month in which the payment is due, his/her benefits shall be discontinued.
 - 8. Should a unit member not wish to take the retirement with benefits, he/she may opt for an annual deposit into a Health Reimbursement Arrangement (HRA) of \$4,000 per year during the same time period as described in paragraph 5 above. The unit member must provide evidence of alternative health coverage in order to select this option. Once a retiree selects this HRA option, the retiree shall not be permitted to re-enroll in the health benefit program on an Employer-paid basis. The \$4,000 deposit into a HRA shall be pro-rated pursuant to paragraph 4 above in the case of part-time unit members.
 - 9. In lieu of post-retirement benefits a unit member may apply to participate in the STRS "Golden Handshake Program." This program shall be made available to unit members who meet all eligibility and other legal requirements, providing the program is offered under the STRS retirement system. This program provides the retiree an enhanced monthly benefit annuity as a result of the Employer purchasing additional service credit at the time of the unit member's retirement, per Education Code Sections 22714 and 44929. The Employer shall establish the window period(s) for applications pursuant to STRS regulations.
- B. Program Number Two: Retirement with Optional Deposit to HRA or Benefits Purchase. Program Number Two is available only for unit members whose first day of regular, non-substitute, and continuous certificated service with the Office occurred between July 1, 1998 and June 30, 2001.

1. For all eligible unit members, an amount not to exceed \$20,000 will be deposited into a HRA, or will be applied towards the purchase of continued health and welfare benefits after his/her last date of active service. The fund amount shall be pro-rated for part-time unit members as defined. The amount received by the retiree in the form of a deposit into a HRA or in the purchase of continued health and welfare benefits shall not be used by STRS in the calculation of his/her retirement annuity.
 2. In order to receive the full amount, the retiring unit member must have:
 - a) provided a minimum of ten (10) years continuous full time certificated service with the Humboldt County Office of Education immediately preceding the date of retirement; or
 - b) been legally entitled to 1.0 FTE status on the certificated seniority roster for the academic year in which the date of retirement is to take effect and had previously served ten (10) years continuous full time certificated service during his/her employment with the Office.
 3. In order to receive a prorated amount, the retiring unit member must have provided the equivalent of ten (10) years continuous full time certificated service with the Humboldt County Office of Education during his/her employment. The pro-ration of the amount available to the retiree shall be based on the average annual certificated service rendered HCOE since the employee's first year of regular, non-substitute employment.
 4. In order for the unit member to be able to opt for the purchase of benefits after retirement, he/she must have been previously covered during the twelve (12) calendar months immediately preceding the date of retirement.
- C. Program Number Three: Retirement with Optional Deposit to HRA or Benefits Purchase.
 Program Number Three is available only for unit members whose first day of regular, non-substitute, and continuous certificated service with the Office occurred after July 1, 2001.
1. For all eligible unit members, an amount not to exceed \$25,000 will be deposited into a HRA, or will be applied towards the purchase of continued health and welfare benefits after his/her last date of active service. The fund amount shall be pro-rated for part-time unit members as defined. If the unit member chooses a deposit into a HRA or chooses to have the amount applied towards the purchase of continued health benefits, these amounts shall not be used by STRS in the calculation of his/her retirement annuity.
 2. In order to receive the full amount, the retiring unit member must have:
 - a) provided a minimum of twenty(20) years continuous full time certificated service with the Employer immediately preceding the date of retirement; or
 - b) been legally entitled to 1.0 FTE status on the seniority roster for the academic year

3. In order to receive a prorated amount, the retiring unit member must have provided the equivalent of twenty (20) years continuous full time certificated service with the Employer during his/her employment. The pro-ration of the amount available to the retiree shall be based on the average annual certificated service rendered HCOE since the employee's first year of certificated employment.
4. In order for the unit member to be able to opt for the purchase of benefits after retirement, he/she must have been previously covered during the twelve (12) calendar months immediately preceding the date of retirement.

Section 3. Reduced Workload Prior to Final Retirement

- A. A unit member may apply for consideration to reduce his or her workload from full-time to part-time duties, and receive the service credit for retirement that the unit member would receive if the unit member was employed on a full-time basis and have his or her retirement allowance, as well as other benefits that the unit member is entitled to as a member of STRS, based upon the salary that the unit member would have received if employed on a full-time basis.
- B. The regulations for this program shall be the following:
 1. Final approval of the request to participate in the reduced workload option shall be at the discretion of the Employer in response to a request of a unit member. Once in the program, participation can be revoked only with the mutual consent of the Employer and the unit member.
 2. The unit member shall have been employed full-time in a position requiring membership in STRS for at least ten (10) years of which the immediately preceding five (5) years were full-time employment.
 3. During the period immediately preceding a request for reduction in workload, the unit member shall have been employed full time in a position requiring membership in STRS for a total of at least five (5) years without a break in service. For purposes of this section, sabbaticals and other approved leave of absence shall not constitute a break in service. Time spent on a sabbatical or other approved leave of absence shall not be used in computing the five (5) year full time service requirement.
 4. The unit member shall have reached the age of fifty-five (55) prior to reduction in workload.
 5. The period of part-time employment shall not exceed ten (10) years.

6. The minimum part-time employment shall be no less than the equivalent of one-half (1/2) of the number of days of service required by the unit member's contract of employment during his or her final year of service in a full-time position.
7. The unit member shall be paid a salary that is the pro rata share of the salary the unit member would be earning had he or she not elected to exercise the option of part-time employment.
8. Prior to the reduction of a unit member's workload under this section, the Employer, in conjunction with the administrative staff of STRS, shall verify the eligibility of the unit member for the reduced workload program.
9. The unit member shall contribute to the STRS the amount that would have been contributed had the unit member been employed full-time.
10. The Employer shall contribute to the STRS an amount based upon the salary that would have been paid to the unit member had the unit member been employed full-time.
11. The Employer shall maintain the necessary records to separately identify each unit member receiving credit pursuant to this section.
12. While participating in this program, the unit member will be entitled to receive the same level of Employer-paid health and welfare benefits as their full time unit member colleagues are receiving during the same time.

ARTICLE 8 GRIEVANCE PROCEDURES

Section 1: Definitions

- A. A "grievance" is a written allegation that there has been a misinterpretation, misapplication or violation of a term or terms of this Agreement.

- C. A "day" is a unit member's duty day scheduled by the official school calendar of the Humboldt County Office of Education, unless otherwise defined in this Agreement.
- D. The "immediate supervisor" is the lowest level administrator having immediate jurisdiction over the grievant. The immediate supervisor for a grievance filed by the Association is the Superintendent or his/her designee.

Section 2: General Provisions

- A. All time limits shall be shortened or extended upon the mutual agreement of the parties involved. Time limits shall be computed by excluding the day communications are received and including the last day. All documents or decisions required to be presented shall be served personally or by first class mail, return receipt requested, to an address designated for service receipt upon the grievance form.
- B. Grievants may be represented or accompanied at all stages of this procedure by a person of the grievant's choosing.
- C. All required meetings or proceedings shall be held at convenient times with preference given to times other than those when classes are in session. If a grievance meeting or proceeding takes place while classes are in session, any unit member who is a participant shall be granted release time.
- D. All documents, communications, decisions, exhibits and all other records acquired through the exercise of this grievance process shall be maintained by the Employer in separate and consecutively numbered files. No such records shall be placed in a unit member's personnel file.
- E. The Employer will provide all forms referred to in this Article.
- F. The Employer shall not agree to any resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution and has been given a reasonable opportunity to file a response.
- G. If a grievance arises from action or inaction on the part of the Employer at a level above Level 1, the grievant shall commence the grievance at Level 2.

Section 3: Process

- A. Level 1: Within forty (40) days after the occurrence of the act or omission giving rise to the grievance, the grievant must present the grievance in writing on the appropriate form to the immediate supervisor.

The form shall include a clear, concise statement of the grievance, stating the specific section(s) of this Agreement alleged to have been violated, the circumstances involved, an address for service of papers by mail, and the remedy sought.

The immediate supervisor shall make a decision in writing within ten (10) days after receiving the grievance and then communicate the decision together with reasons to the grievant.

Within the above time limits, the grievant and the immediate supervisor shall have a personal conference.

- B. Level 2: If the grievant is not satisfied with the decision at Level 1, or if no decision is rendered within the required time period, within ten (10) days an appeal may be filed with the Superintendent or his/her designee using an appropriate form.

The appeal form shall include a copy of the original grievance, all decisions rendered, supporting documents, and a concise statement made by the grievant explaining the reasons for the appeal and the remedy sought.

The Superintendent or his/her designee shall make a decision in writing within ten (10) days and then communicate the decision and the rationale to the grievant.

Within the above time limits, either the grievant or the Superintendent or his/ her designee may request a conference to discuss the matter personally.

- C. A copy of this request shall be sent to the Employer. The Association shall notify the grievant and the Employer within ten (10) days of its decision. The Association and the Employer shall attempt to agree upon an arbitrator. If no agreement can be reached, they shall request the State Conciliation Service to supply a panel of five (5) names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the arbitrator. The order of striking shall be determined by "lot."

The fees and expenses of the arbitrator at the hearing shall be borne equally by the Employer and the Association. All other expenses shall be borne by the party incurring them.

The arbitrator shall, as soon as possible, hear evidence and submit a recommendation on the issue submitted to him/her. If the parties cannot agree upon stipulated statement of facts, the arbitrator shall determine the issues by referring to the written grievance, the answers thereto, and the written opinions rendered at each step.

The arbitrator will have no power to add to, subtract from, or modify the terms of this Agreement or the written policies, rules and regulations or procedures of the Employer or the Humboldt County Board of Education. The arbitrator can make an award involving a class of unit members only when a class of unit members are specifically named and are involved in the dispute. After a hearing and after both parties have had an opportunity to make written arguments, the arbitrator shall submit, in writing to all parties, his/her findings, recommendations and/or decisions. The arbitrator's decision(s) will be final and binding on the parties.

No party reviewing the grievance shall have the power to add to, subtract from, or modify the terms of this Agreement or the written policies, rules, regulations or procedures of the Employer or the Humboldt County Office of Education.

Issues arising out of the exercise by the Employer of rights under Article 2, Sections 1, 2, and 7, of this Agreement shall not be subject to this grievance procedure.

- A. Unit members who are employed at least 75% of the days that school is in session shall be evaluated. Unit members employed late in the school year shall be evaluated according to the provisions in this article with necessary adjustments to schedule and observations.
1. Probationary unit members shall be evaluated each year.
 2. Permanent unit members who have received a satisfactory evaluation and have not been reassigned to a different program shall be evaluated every other year.
 3. Permanent unit members who have received a satisfactory evaluation and have been reassigned to a different program shall be evaluated the first year of the new assignment.
 4. Permanent unit members who have been employed at least 10 years with the HCOE, are highly qualified as defined in 20 U.C.S. Sec. 7801 (ESEA), and whose previous evaluation rated the employee as meeting or exceeding standards, shall be formally evaluated every five years if the unit member and the Employer consent to this schedule. The certificated employee or the Employer may withdraw consent at any time.
 5. Permanent unit members who have received an unsatisfactory evaluation shall be evaluated each year until the unit member receives a satisfactory evaluation or is no longer employed as a unit member by the employer. Unit members who have received an unsatisfactory evaluation shall also be referred to the CMA Program and follow the established procedures and guidelines regarding unsatisfactory evaluations.
- B. Unit members shall be furnished a copy of the evaluation procedures, advised of the criteria upon which the evaluation is to be based, and notified of the identity of their evaluator no later than October 1 of the year in which the evaluation is to take place.
- C. The evaluator shall be the lowest level administrator who supervises the unit member and who occupies an administrative position that requires an administrative services credential.
- D. The unit member being evaluated and the evaluator shall meet no later than November 1 to discuss:
1. Objectives and standards to be achieved during the evaluation period.
 - a. The objectives and standards shall be based upon the unit member's job description, the criteria provided in part B, above, and shall reasonably relate to the items below:
 1. The progress of pupils towards the standards of expected pupil achievement as established by the Board;

2. The instructional techniques and strategies used by the unit member;
 3. The unit member's adherence to curricular objectives;
 4. The establishment and maintenance of a suitable learning environment, within the scope of the unit member's responsibilities.
2. A schedule of observations, conferences and final evaluation date. In the event of a disagreement over the objectives, standards and/or evaluation schedule:
- a. The unit member and the evaluator shall make a good faith effort to resolve the differences themselves.
 - b. The unit member shall have the opportunity to state his or her position on the matter(s) in dispute, and to have a written statement attached to the evaluation form.

The unit member shall have the right to identify any constraints that the unit member believes may inhibit his or her ability to meet the objectives and standards established.

E. During the course of the evaluation period, circumstances may change which require modification of the original objectives and standards. The unit member or administrator may initiate a change of these objectives and standards in the manner prescribed in D above. Any modification of the original objectives and standards shall have the mutual agreement of the unit member and administrator.

F. The evaluation process shall include the following activities:

1. Observations of the unit member shall last at least thirty (30) minutes; shall ordinarily be two (2) in number, at least one (1) of which shall be made known to the unit member at least two (2) days prior to its occurrence. Observations which may result in a negative evaluation shall be followed by observation conference within five (5) days of the observation. All other observation conferences shall be scheduled at the time of each observation. For unit members employed more than two (2) years and with agreement by both the unit member and the evaluator, the number of observations may be reduced to one (1) in case of obvious satisfactory performance. A unit member who receives a negative evaluation may receive an additional observation, evaluation conference and written evaluation. Such entitlement includes a conference prior to the additional observations.

Deficiencies which may have been brought to the attention of the unit member, and subsequently corrected, shall not result in a negative evaluation.
- G. A unit member shall not be evaluated on or held accountable for any aspect of the educational program over which the unit member has no authority or which does not fall within the professional duties of the unit member.
- H. In the event that a negative evaluation may be forthcoming, an evaluation conference between the unit member and the evaluator shall be held no later than sixty (60) days prior to the end of the school year to discuss the content of the final evaluation form. The final written evaluation form shall be provided to all unit members no later than thirty (30) days prior to the end of the school year. In the event the unit member disputes the content, the unit member may prepare a written statement which shall be attached and incorporated into the final evaluation. The final evaluation form shall contain no linear rating scale. The final evaluation comment, if any, shall be "satisfactory" or "unsatisfactory." Those unit members receiving an unsatisfactory rating shall be referred to the CMA Program and follow the established guidelines and procedures unless the unit member has been notified of termination.
- I. Unit members shall not participate in the evaluation(s) of other unit members.
