Have a Safe & Healthy Summer!

By setting an example and involving the whole family in safety and wellness goals, you will be teaching others to make healthy and responsible choices that will serve them for a lifetime.

Get outside and excercise! Wear a mask and keep 6 feet away from others.

Follow all rules of the road and signage.

Cross at intersections or crosswalks. Set an example for younger people.

Use your brain and always wear a helmet when biking.

Prevent collisions by being predictable. Use hand signals.
