

Awarded by the Humboldt County Superintendent of Schools and the Board of Education to recognize and appreciate credentialed classroom teachers in our schools who have gained respect and admiration for their dedication, enthusiasm, and professional standards and who, by their exemplary careers, have served as role models to students, our teachers of the future.

This program honors Humboldt County credentialed transitional kindergarten through 12th grade classroom teachers who have shown personal qualities and professional expertise indicative of an exceptional teacher. Nominees must:

- Hold a California teaching credential and have a minimum of 5 years of teaching experience
- Possess outstanding skills in the areas of classroom management, subject matter content, teaching strategies, and student motivation*

*May not have received this award within the past 10 years

Nominees will be asked to complete an information packet describing his/her professional background.
