To: Prospective Bidders

This Addendum forms a part of the Contract Documents and modifies the original bidding documents as noted below. Acknowledge receipt of this Addendum in the space provided on the Bid Form. Failure to do so may subject Bidder to disqualification.

The following changes or clarifications shall be made part of the Bid Documents and shall be taken into consideration when submitting bids.

CHANGES TO BIDDING REQUIREMENTS:

1. Pre-Bid RFI: The details for the generator and automatic transfer switch say Generac is the product of choice. Will the owner accept a different manufacturer? If so, can the language be changed to "Generac or Equal"?
**Response: Revise last sentence in keynotes 1 (generator) and 2 (transfer switch) / E1.2 to read:
"Generac is the product of choice, or equal."
Provide substitution information no later than 5 PM on Friday July 17, 2026, to allow time for A/E review.
The substitution request must include comparative specification data to the Generac products for all features within keynotes 1 and 2 / E1.2, dimensions (required to fit one housekeeping pad with no changes to pad size), anchorage, materials and finishes per Addendum 1, Item 5; otherwise, it will be automatically rejected.
If the generator and automatic transfer switch substitutions are approved, the District will issue a formal addendum to all bidders prior to the bid opening.**

2. The bid date remains 2 p.m. on July 30, 2026.
