## Day of Awareness

## June 2

# THE RIGHT TO BELONG

*On June 2, 1924, 15-year-old Alice Piper, a Paiute student from Big Pine, won her California Supreme Court case after being denied admission to her local high school because she was Native. That same day, Congress passed the Indian Citizenship Act, granting U.S. citizenship to Native Americans – though many were still denied full voting rights for decades. Together, these events mark a pivotal moment in Native civil rights, educational access, and the ongoing fight for belonging.*

The Humboldt County Office of Education will release a K-12 Teaching Toolkit to support educators in recognizing June 2 as a day of learning, reflection, and celebration of Native leadership, resilience, and belonging. Visit the Humboldt County Office of Education's Native American Studies Model Curriculum website at [hcoe.org/nasmc](http://hcoe.org/nasmc) for the Educational Resources Toolkit coming early April 2026. Use the QR Code to be added to the mailing list for updates.
