Introducing the new

HARVEST BOX PROGRAM

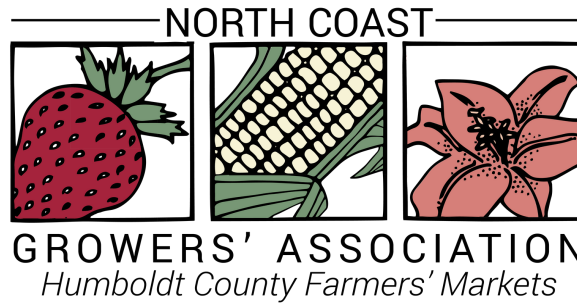

Try this new CSA style multi farm box distribution program! Each box contains a delicious assortment of produce from our local farmers. They each cost \$20 and are available for curbside pick-up at convenient farmers' market locations. **For EBT & P-EBT customers, the Market Match program makes these boxes only \$10!**

Boxes are ordered online on a week to week basis, so there is no need to commit to the full season. Please visit www.northcoastgrowersassociation.org/harvestbox for the latest program details and to sign up for our email list to start receiving weekly order information.
