LOCAL:

June 9, 2020 – No New Cases Confirmed Today

Humboldt County's COVID-19 case count stands at 105 as no new cases were confirmed today. Two previous cases that had been under investigation were determined to be acquired through community transmission.

Humboldt County has seen three new cases attributed to community transmission this month alone. "These are individuals without a history of travel or exposure to a known case," Humboldt County Health Officer Dr. Teresa Frankovich said. "This just points to the fact that virus is circulating in our community and will increase as we ease out of shelter in place and become more interactive again. Prevention measures will become increasingly important."

The following information is based on the most recent data available for all confirmed cases:

- Contact to a Known Case: 61 (no chg)
- Travel-Acquired: 24 (no chg)
- Community Transmission: 20 (+2)
- Under Investigation: 0 (-2)

Daily COVID-19 case report for June 9

- Total number of positive cases: 105 (no chg)
- Total number of recovered cases: 93 (+2)
- Total number of hospitalizations: 13 (no chg)
- Total number of deaths: 4 (no chg)

Number of tests run since last report

- Public Health Laboratory: 32
- OptumServe public testing site: 118

Total tests run to date

- Public Health Laboratory: 3,519
- OptumServe public testing site: 3,055

Public Health Laboratory testing Information

- Supply capacity: Approximately 2,000 tests
- Testing capacity: 60 samples per day
- Turnaround time: 48 to 72 hours
