

People Gathering Around Fire

Ornament Size: 3-7 inches

Skill Level: Advanced

Supplies needed:

- At least 4 paint colors (blue, orange, yellow, white)
- Circular wood piece
- Thin black sharpie
- String
- Modge podge or clear glue

Instructions:

1. Choose your circular piece of wood to paint on.
2. Make a sketch of your drawing (looks a lot like a sun!)
3. Finish your sketch and paint the inner circle.
4. Paint the triangles alternating colors (yellow and orange)
5. Get your thin sharpie and start coloring in the small triangles black.
6. Complete the triangles and then draw little people stick figures around the inside of the blue circle.
7. Paint two salmon in the middle and outline them in black sharpie.
8. Tie string around the wood piece and secure with a knot. Tie another knot at the top of the two ends of the string to create a loop hanging effect. (optional: paint string in modge podge or glue to help it stay put and let dry for 30 minutes. Re-apply as necessary.)
