

Welcome to the Trades Academy!

The purpose of the Trades Academy is to enhance student learning and to offer exposure to the many career opportunities that are available in the trades industries. Humboldt County has an abundance of jobs available for those who are interested in working in these exciting and rewarding professions.

The Trades Academy will be collaborating with school sites and industry professionals to support students involved in the program. Students that are involved in the Trades Academy will learn about the variety of careers available and gain access to industry leaders and potential employers.

Trades Academy students will hear from guest speakers, take part in hands-on learning, go on fieldtrips and gain opportunities to earn certifications.

We are so thankful to all of the industry partners in our community, the Workforce Development Board, and College of the Redwoods, all of who are committed to this quality instruction and learning opportunity.

For more information or questions, please feel free to contact me at (707) 499-4674 or jshppard@hcoe.org.

Own Your Future and get involved today!

Sincerely,

Jack Sheppard
